THIRTY-THREE ESCAPE INJURY AS PLANE CRASHES

TULSA, OKLAHOMA—A Mid-Continent Airlines plane burns near the edge of the Tulsa airport after crashing on takeoff. Thirty-three persons escaped injury but the co-pilot of the craft was slightly injured and was hospitalized.

Crowds Increase At City-Wide Revival Series

Out-Of-Town Groups Attend Services At Cathedral Tuesday

Delegations from Pittsburgh, Struthers, O., Grove City and Ellwood City helped swell the large audience which neared 1500 in the Cathedral auditorium Tuesday evening when Dr. Hyman J. Appelman of Kansas City addressed the throng on "Meeting the Great Emergency". The service was the second in a three-week series of evangelistic services being conducted jointly by the churches of the city and county.

Approximately 30 district pastors were assembled on the platform which held also the large chorus choir which is providing nightly anthems for the services. Rev. John Troy, musical evangelist is leading the choir as well as the congregation in the singing of favorite hymns.

Roads in the Wampum district are the subject of treatment by highway department maintenance crews. The men are working on Route 18 and roads leading away from it in their effort to repair the winter's damage. They will move to other areas when the work there is completed.

Opening of the new bridge over the Slippery Rock creek near Rose Point will be welcomed by motorists who have been traveling the new Butler road daily. The span's opening eliminates the detour which was difficult to navigate in snowy weather. The bridge also opens a fine view of the country side as it is traversed.

With Memorial Day just a short three months' distant, moves should be taken to dress up the almost forgotten honor rolls in various sections of the city. The once impressive roll at Pearson and East Washington street is slowly deteriorating due to the

Daily Weather Report

WEATHER FORECAST
Cloudy with rain beginning late tonight and low 35 to 40. Tomorrow rain and windy and turning colder by night.

River stage, 7.8 feet

Statistics for the same date a year ago, follow:
Maximum temperature, 28.
Minimum temperature, 15.
No precipitation.

Senate May Seek Ceiling On Maximum For Army

WASHINGTON, Feb. 28.—(INS)—Defense Secretary Marshall's hint that the military may raise its manpower to four million threatens today to enflame Senate debate on the draft-universal military training bill.

Marshall indicated that the military is thinking in terms of a second boost in its manpower objectives in a letter to Sen. Johnson (D) Tex., floor manager of the draft-UMT bill.

The secretary said that unless 18-year men are available for the draft, the military would have no "reasonable assurance of filling" a force of "four million men or larger if necessary requires it."

To seek amendment
This disclosure came on the heels of an announcement by Sen. Morse (R) Ore., that he will attempt to amend the draft-UMT

County Men Are Inducted

Farewell Ceremonies Held This Morning

Forty-two men from the Lawrence County district were sent to Pittsburgh this morning by Selective Service Board 86, leaving via the Pennsylvania Railroad at 7:10 o'clock.

On arrival in Pittsburgh, they will be inducted into service and sent to a training camp in the eastern section of the country for their basic training.

There was a large group of friends and relatives on hand to bid the men farewell and Bibles, missals, and other gifts were presented by the various organizations, who have been conducting farewell ceremonies for the men leaving.

This concludes the February inductions by the Selective Service boards here.

Orders have been received by Local Board 87 to call up men for their pre-induction examinations on March 21, but no orders for examination have as yet been received for next month by Local Board 86.

Election Vote In Chicago Light

Democrats Retain Control Of Council

CHICAGO, Feb. 28.—(INS)—Democratic control of Chicago's City Council remained unchallenged today on final returns from aldermanic balloting in one of the lightest election turnouts in years.

Thirty-one Democrats—all but three of them incumbents—were elected yesterday. Fourteen Republicans won their races and five other places will be determined by runoffs in wards where no candidate received a majority. Present council makeup is 33 Democrats and 17 Republicans.

Complete but unofficial returns indicate that only one-third of the city's 2,087,000 voters bothered to go to the polls.

Many Unopposed
Apathy was laid to the absence of races in 13 wards where candidates ran unopposed. In addition

Vital Stretch Of Highways Is Taken By U.N.

Tenth Corps Troops Make Advance In Central Korea Mire

By HOWARD HANDLEMAN
(Far Eastern Director, E. N. S.)

TOKYO, March 1.—(Thursday)—United Nations troops seized control of a vital stretch of mid-Korean lateral road Wednesday and aggressive American patrols slashed at enemy positions in all directions to keep Communist forces off balance on the central front.

U.N. armored columns jabbed at enemy defense points in central Korea with the aim of upsetting the timetable of an anticipated all-out Red offensive.

Slog Through Mire

Tenth Corps troops slogged through the mire on rain-soaked hills on the east-central front to clamp a stranglehold on most of the Hoengsong-Pangnim lateral highway. Rear guard enemy units sought without success to block the Allied advance in running fights.

U. S. Marines ran into enemy fire on the Am river two miles east of Hoengsong. Other leatherneck patrols, however, probed the flanks of Chinese forces holding a horseshoe defense line north, east and west of Hoengsong but reported no contact.

A Tenth Corps spokesman said

Legislation In State Awaits New Budget

HARRISBURG, Feb. 28.—(INS)—Lawmakers are awaiting Gov. John S. Fine's budget recommendations upon which the future of proposed legislation will be based.

Much of the proposed legislation not requiring appropriations already has been submitted in both Houses. The 1951-53 budget recommendations are not expected for another fortnight.

In a speech at Philadelphia last night, Fine said his staff is still working on the budget and tax program to carry the commonwealth through the biennium opening June 1.

He said "certain imponderables" and illness of his wife delayed the work.

Fine's message will embrace a billion dollar budget for the third consecutive biennium.

In it he is expected to suggest means to raise as much as an additional \$120,000,000 in new money.

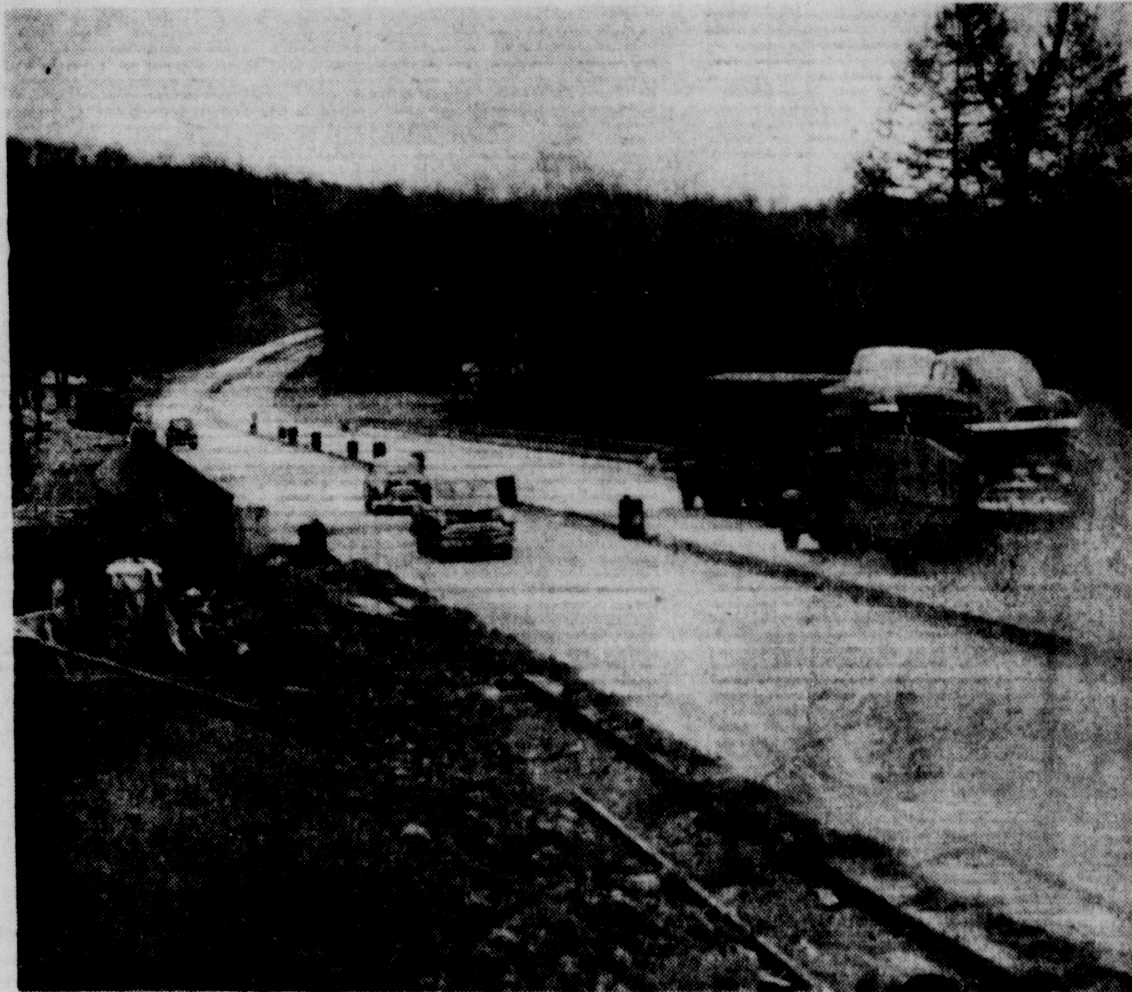

Thus far there is no definite indication what course Fine will chart but it has been reported the administration is banking on a fruitful yield from industries engaged in defense production.

TROOPS BATTLE MUCK AND MIRE IN KOREA

SOUTH KOREA—Personnel carrier loaded with United Nations troops fords a flooded stream on the western front after sudden rains turn the entire western sector into lakes of muck and mire.

Open to traffic, the Rose Point bridge is the latest addition to the magnificent structures in the county. The new \$700,000 span stands 90 feet above the water of Slippery Rock creek on route 422. It is shown here as early traffic makes use of it, after lifting of the dangerous detour through Rose Point, on the new New Castle to Butler highway.

Some Changes Proposed For Wage Control

Organized Labor To Make Decision On Future Plans

By FELIX COTTEN
(E. N. S. Staff Correspondent)

WASHINGTON, Feb. 28.—Organized labor faces today the crucial decision of whether it will again participate in the government's efforts to stabilize wages.

This problem was tossed into its laps when economic stabilizer Johnston approved Tuesday night the proposed 10 percent wage increase ceiling with recommendations for changes intended to satisfy labor's demands.

The United Labor Policy committee has called a meeting today to discuss the question of whether to return to the tripartite Wage Stabilization board. A decision may be announced after this meeting.

But informed labor sources were not too optimistic over the prospect for a favorable decision.

Labor Situation

This is the labor situation:
1. Johnston has approved the 10 percent wage ceiling which the Wage Stabilization board adopted on the night of Feb. 15. This ceiling is already in effect.

2. However, Johnston has made recommendations to the board for changes in the wage formula which some informed sources regard as though going concessions to labor's demands for flexibility.

3. Still he did not order these

County Red Cross Drive For \$52,000 Under Way

Lawrence County's 1951 Red Cross campaign fund drive for \$52,000 was officially launched Tuesday night at the annual "kick-off" dinner, held in the Elks club.

Following the film "Red Cross Reports" which opened the meeting, L. J. Lewis, fund chairman, spoke, giving information concerning the details of the campaign and relating the manner in which the organization of the drive has been shaped.

Lewis stressed the urgency of completing the solicitations as soon as possible, to avoid running into Holy Week. He expressed a wish to have the drive completed by March 16.

Chairmen-Officials Attend
Over 23 divisions chairmen and officials of the campaign, convened to discuss respective solicitations. Mrs. Roy Long, chairman of the

Scout Executive Board Elects New President

At a special meeting of the Executive Board of the Lawrence County Council of the Boy Scouts of America, Tuesday night Charles W. Carbeau was elected new council president, to succeed the late Thomas L. Paden.

Mr. Carbeau who resides in Ellwood City, is president of the Universal Manufacturing Company in Zelienople.

S. A. Mooney, chairman of the Council Finance Committee was elected as a representative to the National Council of the Boy Scouts of America, and will serve in this capacity together with the newly elected council president.

The following selection committee was appointed to interview prospects for the position of field executive with the local council: Paul Reynolds, chairman, Howard A. Butler, Ernest D. Hawk, Charles W. Carbeau, and Dan A. Carroll.

Will Break Ground For New Steel Plant

MORRISVILLE, Pa., Feb. 28.—(INS)—Ground will be broken tomorrow for the Fairless Works of the U. S. Steel Company as part of the program to gear the nation to defense production.

It is believed to be the largest single steel construction project on record, and the industrial milestone will be marked with appropriate ceremonies. Incidentally, it is U. S. Steel's 50th anniversary.

(Continued on Page Two)

Mrs. John Dout, 86, English avenue.

New Rose Point Bridge Opened On Route 422

Eliminates Dangerous Detour East Of City On New Highway

Alfred A. Martin, Lawrence county superintendent of highways, announced today that the Rose Point bridge, located on new Route 422 near Rose Point was officially opened to traffic late Tuesday afternoon.

The bridge was the only portion of the new route between the city and Butler county lines that was not officially opened to traffic late last year when the new road was thrown open for public travel. Motorists have had to detour through Rose Point to get around the uncompleted structure.

Mr. Martin warned that although the bridge is still not completed, if motorists exercise caution when crossing the structure, few accidents, if any, should result. Ramps have been built at the approaches of the bridge to safely permit vehicles to enter and leave the great structure, perhaps the largest bridge in Lawrence county as far as height is concerned.

Opening of the bridge will alleviate the dangerous curve at Rose Point over which motorists have been detouring to get to their destination whether traveling east or west. The center section of the four-lane bridge which divided the east and west traffic lanes is not completed but will be well guarded so that no motorist will get into difficulty.

Cost \$700,000

The Rose Point bridge, which was erected at a cost of \$700,000 alone apart from the road contract, rises 90 feet above the swirling waters of the Slippery Rock creek. Contractors had to go down over 60 feet before they could find a solid foundation for the three-span concrete structure. It eliminates a very dangerous section of highway on the old road on which a number of serious accidents have taken place.

The entire cost of the contract

White House Wounded Guard Will Testify

By ROBERT E. CLARK
(E. N. S. Staff Correspondent)

WASHINGTON, Feb. 28.—Puerto Rican Nationalist Oscar Collazo, on trial for his life, will be confronted today by a White House guard critically wounded in the attempted assassination of President Truman.

Pvt. Joseph Downs, still recovering from wounds suffered in the Blair House shooting, heads the list of government witnesses scheduled to testify today.

The poker-faced 37-year-old fanatic will go to the electric chair if convicted of first-degree murder in the slaying of another White House guard, Leslie Coffelt. Collazo sat stiff and emotionless yesterday as another White House policeman wounded in the blazing gun-battle stepped down from the witness stand to tap him on the shoulder so there could be no doubt about his identification.

The officer, Donald Birdzell, testified that Collazo opened fire on him in front of Blair House.

Senate 'Influence' Probers Have 'Mink Coat' Problem

By CHARLES B. SEIB
(E. N. S. Staff Correspondent)

WASHINGTON, Feb. 28.—Senate "influence" probers today found holes in the "mink coat story" told by E. Merl Young, whose wife, a White House stenographer, wears one of the fanciest fur wraps in Washington.

But the senators investigating pressure allegedly wielded by Young and others over the Reconstruction Finance Corporation said that in view of the widening nature of the inquiry they were undecided whether to scrutinize the mink coat matter further.

May Sidetrack Fur

The investigators indicated they may sidetrack the fabulous fur and concentrate on Donald Dawson, President Truman's patronage adviser, and Democratic National Chairman William Boyle.

Both Dawson and Boyle have been named in testimony about "influence" in connection with RFC loans.

Sen. Fulbright (D) Ark., investigating committee chairman, said he would like Dawson to testify but fears there may be "a big row with the president" if the probers subpoena the White House aide.

Fulbright added that the same situation prevails with regard to Boyle.

Obituary	2	

Arthur Mometer

The back of winter is fairly bent when the players begin to train, when they head for the south and the limbering up then the ice imps are on the wane. There may be a day or a couple of them when the blizzards will blizz a mite, and now and then the streets and lanes may be covered a bit with white. But the full time bang of the winter's arm is rapidly slipping away, when the players head for the south to train, it's 38 today.

Some Changes Proposed For Wage Control

(Continued from Page One)

concessions into effect. He simply recommended to the board that it adopt them.

The decision whether to adopt them, labor sources explain, is up to the board. The board has been disrupted because when the agency approved the 10 percent ceiling on Feb. 15, the three labor members walked out and subsequently resigned.

Leaders Not Pleased

Informed sources said labor leaders were not pleased with Johnston's approach to the problem, since they wanted him to order modifications in the wage formula and not merely to make recommendations to the disrupted board.

These sources added, however, that if Johnston took this action the three public members of the board might resign, thus completing the wreckage of the tripartite wage stabilization machinery.

Johnston did not change the board's decision that wage increases since Jan. 15, 1951, should be limited to 10 percent. But he recommended that cost-of-living escalator clauses and productivity improvement contracts should remain free of control until June 30, that the same should apply to pensions and welfare funds, and that provision should be made for "hardship" cases and other "inequities."

Other developments on the controls front:

Price controller Michael Disalle is expected to extend the freeze and rollback order on new automobiles and parts which is due to expire March 1.

About 250,000 retailers handling clothing and home furnishings will participate in the price mark-up freeze order not later than March 29.

Disalle said the new order will result in some price increases but more price rollbacks.

SENATOR DENIES HOOVER'S CHARGE

(Continued from Page One)

in Germany, as the final witness today in his public hearings on the troops-to-Europe issue.

And he told reporters following Hoover's Senate testimony: "I confidently believe that if we send ground forces to Europe—and build up our air and naval power—Russia will not attack. She has troubles at home. I do not believe she will attack in the foreseeable future."

Hoover told the senators America should wait until the European allies have given some "pretty definite evidence" that they are producing ground divisions of their own before any American soldiers are sent.

SENATE MAY SEEK CEILING FOR ARMY

(Continued from Page One)

bill to prevent the military from reaching even its present objective of 3,342 million men.

Morse in a Senate speech charged the Pentagon with an "unconscionable waste" of manpower. He said he will propose a ceiling of three or 3.1 million men. Sen. Taft (R) O. has called for a three million man limit. The two GOP Senators seldom are this close together on an issue.

Sen. Hendrickson (R) N. J., told the Senate he will vote for the Morse amendment and eight other draft bill changes which Morse said he will press at length.

These developments crashed hopes of Democratic leaders for final action on the bill this week. However, Johnson said voting on amendments might start late in the week.

SENATE 'INFLUENCE' PROBES HAVE 'MINK COAT' PROBLEM

(Continued from Page One)

Washington, told the Fulbright committee last week that because he felt he could afford it, he bought and paid for a \$9,540 "Natural Royal Pastel Mink" for his wife, Loretta.

But the committee brought out yesterday that the mink bill actually was footed by Joseph Rosenbaum, Washington lawyer who has had many dealings with the RFC. Rosenbaum testified he paid the bill and did other favors for Young out of "friendship." Young insisted that he gave Rosenbaum a note for the amount of the coat purchase.

A committee spokesman said he believed the senators would decide the "discrepancies" in Young's story were "technical" and that the probes would turn their attention to other matters in the RFC situation, presumably concerning Dawson and Bowie.

ELECTION VOTE IN CHICAGO LIGHT

(Continued from Page One)

the customary mayorality primary was not held because both party nominees have no opponent.

The most unprecedented victory in the history of city council elections was scored by a Republican, David R. Muir, in the Sixth Ward, where incumbent Democrat Francis J. Hogan was running without opposition on the ballot.

Muir, a radio-television dealer, beat Hogan by 133 votes—5,925 to 5,792—on a straight write-in vote despite the fact that approximately 1,500 of his ballots were thrown out for technical imperfections. Muir failed to get a place on the ballot because his nominating petitions contained more than the required amount of names.

Most of the present aldermen had little trouble getting elected but two Republicans had narrow escapes.

CROWDS INCREASE AT AT REVIVAL SERIES

(Continued from Page One)

Lutzweiler presided at the marriage, Rev. C. Bergerson at the piano and Jerry Renkenberger at the electric organ.

Harvest Great

Dr. Appelmann used for his text Tuesday evening Matthew 9:35. "Truly the harvest is great, but the laborers are few." He stated that Christ was admonishing his listeners not only to see, but to pray and to go. He said that every church in these days should be winning never-dying souls, as the time is growing short and that which is to be accomplished must be done quickly.

The speaker pictured the harvest field and reminded his audience that there was but one way to be saved—through Christ. Pastors and laymen were told that the very gates of Heaven must be stormed by prayer for the lost and those that are able must go to win others for Christ before the end of the age.

Noon Services

The protracted revival series will continue tomorrow at noon, when a public service will be conducted at 12:10 in the First Presbyterian church, when Dr. Appelmann speaks on the subject "The Holy Spirit." This service is prefaced by prayer at 11:45. During the service tomorrow evening at 7:45 in the Cathedral, Evangelist Appelmann will speak on "The Cheapest Thing in New Castle."

A preachers' breakfast for all the pastors of the city is planned Thursday morning at 8 o'clock in a downtown restaurant. Special nights are being planned, including men's, women's, Sunday school and youth nights. Children's meetings continue each day Monday through Friday in designated churches in the city.

Next Sunday two services are planned, 2:30 and 7:30 p. m., in the Cathedral. The program will be climaxed on Sunday, March 18, after which Dr. Appelmann and Rev. Troy leave for England for a series of meetings.

WHITE HOUSE GUARD WILL TESTIFY

(Continued from Page One)

shooting him in the right knee before he could draw his gun. Prosecution attorneys disclosed that was the only one of nine shots fired by Colazzo that found its mark.

The other seven bullets that struck the three guards were all fired by Colazzo's confederate, Grisello Torresola, before his own life was snuffed out in a hail of bullets.

The sharp-shooting Torresola killed Coffelt with three shots, struck down with three more and hit Birdzell with a seventh, wounding only one of the eight bullets he is believed to have fired.

U. S. Attorney George Morris Fay promised the evidence would show the attempt on the President's life was "planned and plotted almost to the second."

He told the jury of 10 women and two men the government "will ask and expect a verdict of guilty"—a verdict that would send Colazzo to the electric chair. First degree murder conviction in the District of Columbia carries a mandatory death sentence.

MAJ. GEN. HOGE SENT TO KOREA

(Continued from Page One)

the Marine Corps who took temporary command of the Ninth Corps last Saturday after the death of Maj. Gen. Bryant E. Moore.

Moore died apparently of a heart attack after the helicopter in which he was riding crashed into the icy Han River.

Hoge is the fourth commander for the Ninth Corps since it was constituted last September in Korea.

Lt. Gen. John B. Coulter, the Ninth's first commander, has been reassigned to the United States. He was succeeded by Moore on February 13th.

Hoge is due to arrive in Tokyo Saturday from Trieste where he commanded the American detachment until his assignment to Korea.

Since the end of World War II about 5,000,000 dwelling units have been erected in the United States.

Mosler SAFES

Deaths Of The Day

(Continued from Page One)

Wilbur R. Fox
Wilbur R. Fox, aged 30, of Findley township, Mercer county, died Tuesday at 8 p. m. at the family residence, following an extended illness.

Born July 21, 1920, he was a son of George and Alice Robinson Fox and was a lifetime resident of the community in which he lived. Mr. Fox was a farmer by occupation.

A member of the United Presbyterian church of Mercer, where he had served as an elder for several years, Mr. Fox was also a member of the young married couples class of the church. He graduated from Mercer high school in 1937 and attended the Shenango Valley Business school.

In 1943, Mr. Fox was united in marriage to the former Rebecca Forbes of this county. To this union were born two sons, Frank Edward Fox and Davy Ernest, who survive, with their mother at home.

The parents, Mr. and Mrs. George Fox, also survive, as do two sisters, Mrs. Daniel Baer, Erie, and Mrs. Paul Christie, Grove City. Services are planned for Friday at 2 p. m. from the Earl C. Miller and sons, funeral home in Mercer, with Rev. F. E. Vogan officiating. Burial will follow in Findley cemetery.

Friends will be received at the funeral home Thursday afternoon and evening.

John H. Anderson

John Harrison Anderson, aged 72 years, 513 First avenue, Ellwood City, died today at 3:30 a. m. at his home after a two week illness.

Born January 19, 1879, in Conover township, Butler county, he was a son of William and Sarah Dambaugh Anderson. He had resided for the past ten years in Ellwood City, being employed at the Mathews Conveyor Co. Prior to that time Mr. Anderson was a farmer by occupation.

Mr. Anderson, who was formerly an elder of White Oak Springs U. P. church, was a member of Ellwood City U. P. church and the Men's Fellowship Bible class.

Survivors are: his widow, nee Blanche Orr; four sons, Ralph, New Castle, R. D. 1, Plummer, Wampum, R. Dean and Kenneth, both of Ellwood City; a brother, Joseph H. Butler, three sisters, Mrs. Isaac Kaufman, Conneque, Pa., Mrs. Anna Niblock and Mrs. Frank Shannon, both of Renfrew, and ten grandchildren.

A son, William Clair, preceded him in death in 1919.

Dr. W. D. Miller and Dr. W. E. Minter will officiate at funeral services on Saturday at 1 p. m. from the Patton funeral home, Ellwood City. Burial will take place in White Oak Springs U. P. cemetery, Butler county.

Friends may call at the funeral home Thursday and Friday from 2 to 4 and 7 to 9 p. m. and until funeral time on Saturday.

Mrs. John Daut

Mrs. Judie Jane Law Daut, aged 86 years, widow of John Daut of English avenue, died at the home of her daughter, Mrs. Harry Druschel, R. D. 8, this morning at 1:30 o'clock. She had been ill for some time.

Mrs. Daut was born in New Castle April 2, 1864, daughter of Samuel and Mary Law. She resided here all her life and had been married for 71 years. Her husband, John Daut, died 34 years ago. Mrs. Daut was a member of the Christian and Missionary Alliance church.

Her children surviving are: Mrs. Emma McKinny, McKean, Pa.; John Daut, Eaton, Pa.; Jesse Daut, Edinboro, Pa.; Mrs. Harry Druschel, R. D. 9; Robert Daut, Edinboro, Pa., and Mrs. Judie Tomlinson, this city. She leaves 48 grandchildren and 62 great-grandchildren.

A daughter, Sarah Hall, and a son, William Daut, also preceded her in death.

The body is at the John R. Bigler funeral home, 1018 South Mill street. Funeral arrangements will be announced.

Gaston Funeral

Funeral services for James Gaston, R. D. 9, were held Tuesday at 2:30 p. m., from the Bigler funeral home, with Rev. Samuel C. Baker in charge.

Pallbearers were: Edward and Fred Cameron, Albert and Aaron Yoho, Michael Ciperman and Anthony Esposito.

Burial was in Greenwood cemetery.

Infant Dean Services

Funeral services for Infant Thomas Earl Dean were held Tuesday at 2 p. m. from the Campbell North Hill funeral home. The infant was the son of Howard Leslie and Catherine Arthrell Dean, of R. D. 6.

Rev. K. B. Kofack, of the Mt. Herman Presbyterian church was in charge of services. Burial was in Mt. Herman cemetery.

Mrs. Agnew Funeral

Funeral services for Mrs. Laura Jane Agnew were held Tuesday at 2 p. m. from the residence with Rev. R. H. Mayo in charge.

Interment was in Oak Park cemetery. During the service Mrs. B. M. Rogers sang the 23rd psalm, accompanied by Mrs. J. L. Reed on the piano.

Pallbearers were: Thomas Hartman, Wilbur Ramsey, Robert Maxwell, Robert Jamison, Harvey Bush, and Leland Hawk.

A type of beetle has each eye divided so that it can look in two directions with one eye.

In Memoriam

In loving memory of our dear Husband and Father, John Edwards, who passed away three years ago today, February 28, 1948. Sweet memories will linger forever. Time cannot change them it's true. Years that come cannot sever. Our loving remembrance of you.

WIFE and DAUGHTER

Card of Thanks

We wish to thank all those who extended us their sympathy and kindness in our bereavement.

fact that no interest in it is shown. The aluminum paint is peeling badly and other improvements should be made shortly.

Whether March makes its entry on the order of a lion or lamb will shortly be known. According to the old tradition if the month enters like a lion it will go out like a lion and viceversa.

Before grass can be grown on many local lawns this coming spring, much rolling and other work will be necessary to provide beautiful grassy plots. The past winter plus heavy travel on the lawn areas has played havoc with the sod and much replanting will be necessary.

Various organizations about the county are generously permitting their blood be typed in order that the Red Cross might have such record in case of an emergency or disaster when blood would be needed. The latest group to volunteer is the Scott township firemen and the auxiliary at Harlansburg.

Workmen have completed erection of the large new sign on the Public Square for the use of the American Red Cross during their campaign fund. The sign bears the outline a large cross and as the funds come in, the cross will be painted red. The amount pledged will also be marked in one corner of the sign.

VITAL STRETCH OF ROAD TAKEN BY U.N.

(Continued from Page One)

enemy concentrations were spotted north of the corps front at several points but stressed that the enemy did not appear to be forming for an immediate counter attack.

South Korean Third Division troops slashed the lateral a few miles west of Haanhung by driving the Communists from high ground commanding the road and repulsing a battalion-sized attack.

Haanhung lies on the 24-mile long east-west highway about half way between Pangnim and Hoengsong, at the western end of the road, is 50 miles east of Seoul and 34 miles south of the 38th Parallel.

U. S. Second Division troops ground out advances to points six and eight miles east of Haanhung, dispersing an unknown number of the enemy.

The eastern end of the road was secured by the U. S. Seventh Division which took high ground six miles west and five miles north of Pangnim.

The U. S. First Cavalry Division, fighting near Yongdu, 37 miles east of Seoul, made the largest gains Wednesday. The cavalrymen advanced 2,000 yards against "light" resistance to take a hill south of Yongdu.

Despite cloudy weather and rain storms, reconnaissance pilots flew across enemy lines and reported

that an estimated 1,000 Reds were dug in north of the junction of the Han and Pukhan rivers, 16 miles east of the Korean capital.

The murky weather did not hinder Far East Air Force Superforts, however. Using radar the B-29s plastered 160 tons of bombs on rail and supply targets at Hamhung and Chongjin in North Korea.

The rains made the central Korean battle ground a virtual quagmire through which the Tenth Corps slipped and slid to grind out its gains.

Far to the west, an infantry patrol from the American Third Division hammered across the Han river into the suburbs of Seoul Tuesday night, engaged in a brief fire fight with Chinese defenders and withdrew to the south bank of the stream.

Other commando-type hit-and-run raids by South Korean units were also announced today.

The ROK (Republic of Korea) navy announced that South Korean naval and marine forces landed Sunday on the Ongjin peninsula and captured 21 Communist officers before withdrawing.

The announcement also said the force destroyed 20 enemy encampments on the raid. The Ongjin peninsula is on the west coast of Korea just south of the 38th Parallel.

Why People Choose Our Home for Funerals . . .

A sizeable part of our business over the years can be traced to remarks made by satisfied customers. They have told their friends how much they were pleased with our services.

Another noticeable source of business is from those who had attended a service held in our Home for Funerals. They were impressed by the dignity and the efficient manner of directing a service.

Both of these reasons for choosing this organization are gratifying to us. The most important thing, however, is that our service has proved satisfactory to so many families. That is the real measure of value in funeral service.

SOCIETY & Clubs

MUSIC CLUB HAS FEBRUARY PROGRAM

New Castle Music Club members enjoyed a delightful program Tuesday evening, when they assembled in Highland United Presbyterian church. Mrs. Robert E. Fleming presided as hostess.

Mrs. Willard Perdue and Miss Ruth Weir pleased with vocal duet numbers. Miss Margaret Sutton, Miss Margaret Kaufman, Darl Wiley, Delbert Fletcher, Earl Hammond and Edward C. Book offered vocal solos.

Miss Connie Branstetter played a piano selection. Miss Marilyn Mikels and Miss Branstetter offered a duo piano number. A piano quartet, composed of Mrs. S. Glenn McCracken, Mrs. Jay L. Reed, Miss Barbara Schulz and Mrs. Paul Welsh, pleased with two selections.

Miss Peggy Weir, Miss Branstetter, Mrs. McCracken, Mrs. Jacob Jordan, Miss Jessie Mockel, and Edwin Lewis served as accompanists.

Miss Genevieve Riddle, Mrs. Charles Beckwith and Mrs. Edward Olmstead were ushers.

An informal tea followed the enjoyable program with the social committee responsible for arrangements. Dainty refreshments were served from a tastefully appointed table, centered with colorful spring flowers and yellow tapers. Mrs. Harry Helmick and Mrs. Fleming presided at the tea services.

A program, which will be open to the public, will be presented by Garth Edmundson Tuesday evening, March 27, in the First Presbyterian church.

A.R.C. Class Meets
A.R.C. class assembled in Wesley Methodist church Tuesday evening, when Mrs. J. W. Carter led devotions.

Mrs. Ray Peterson and Mrs. Thelma Black pleased with readings. Later Mrs. Marguerite Ward aided Mrs. George Edwards, hostess, in serving lunch.

Mrs. Jack Griddle, Atkinson street, will entertain at her home March 27.

MISS LOIS BEARD SETS WEDDING DATE

Friday, March 16, has been selected by Miss Lois Beard as the date of her marriage to John C. Morrow, Jr. The bride-elect is the daughter of Mr. and Mrs. Fred Beard, 1329 East Washington street, and the prospective groom is the son of Mr. and Mrs. John C. Morrow, Sr., R. D. 4.

Best man for the ceremony will be John Wallis, with ushers to include Fred Beard, brother of the bride, and Albert Kelly.

Vows will be exchanged in the Third U. P. church, East Washington street, with open church to be observed for the ceremony at 7:30 o'clock.

SOROSIS CLUB HAS DRILL PROGRAM

Members of the Sorosis club met in the YWCA on Friday afternoon with Mrs. John Bigler, hostess, greeting the group.

Due to illness in the club, Mrs. Frank Woods acted as president at the business meeting. Miss Rebecca Wilkinson conducted an interesting drill on "Constitution and By-laws."

Several examples that had been left for us by Washington and Lincoln were discussed by Mrs. Maude Forrester.

The next meeting of the club will be held March 9 with Mrs. A. W. Zeigler as hostess.

McBRIDE AUXILIARY TO MEET THURSDAY

Members of the ladies auxiliary to the Corporal Harry L. McBride post 522, VFW, will meet Thursday evening in the post home, 214 West Grant street.

A nomination of new officers will be held, with Mrs. Helen Gordon conducting business.

MT. JACKSON CLUB HEARS DEFENSE TALK

"Civilian Defense and Atomic Energy" was the subject discussed by Bart Richards at the meeting of the Mt. Jackson Woman's club Tuesday evening in the Mt. Jackson church.

Due to the absence of Mrs. Wylie Craig, the business meeting was conducted by Mrs. John Anderson. Mrs. Walter Hopper had charge of devotions and introduced Miss Janet Carlsburg, who sang "A Southern Lullaby." Scripture was read by Mrs. Hopper.

Prayer was read by Mrs. Willard George, with Miss Carlsburg entertaining the club with a favorite folk song.

Mrs. Harold Gwin introduced Mr. Richards who told the group that it was not likely that a community such as Mt. Jackson would suffer any immediate effects of an atomic bomb, but that people could help an area that may be bombed. His discussion proved to be of vital interest to the members as they realized the seriousness of the subject.

The treasurer's report was given by Mrs. Carl Paden and a list of prospective members was read by the membership chairman, Mrs. Charles Rainey.

A delicious lunch was later served by Mrs. Ellis Allen and her committee. The next meeting will be held March 27 at the Mt. Jackson church, with Mrs. Forbie Pittzer, Jr., and Mrs. Willis Ghegorn as program chairmen.

WOOD-PARKINSON EXCHANGE OF VOWS

Miss Jane Wood, daughter of Harry Wood of R. D. 2, New Castle, became the bride of Clement W. Parkinson Jr., son of Mr. and Mrs. Clement W. Parkinson Sr., Euclid avenue, New Castle, at a quiet ceremony on Monday, February 26.

Vows were exchanged in the parsonage of the Presbyterian church at Leesburg at 8 p. m., with Rev. William A. Lloyd performing the single ring ceremony. The bride was attractively attired in a fashionable navy blue street length dress with pink accessories.

Due to the illness of the bride's father, the young couple have dispensed with a honeymoon until a later date. They are residing at R. D. 2, New Castle.

Mrs. Parkinson is employed at the Shomango Pottery, while the groom is a fireman on the B. & O. Railroad.

D.U.V. TENT 20 CONDUCTS MEETING

Members of the Daughters of Union Veterans Tent 20 met in the lodge, East Washington street, with new officers in charge.

During business the charter was draped in memory of Mrs. Georgeanna Walsh, who died recently. After business a social hour was held and a country store was enjoyed. Prizes were given to the winners.

On March 27 the next meeting will be held, prior to which a sauerkraut supper will be featured at 6:30 o'clock, with Mrs. Rebecca McKissick in charge.

GENEVIEVE DICK ENGAGED TO MARRY

A June wedding is planned by Genevieve Dick, whose engagement to Harry P. Strong, son of Mr. and Mrs. O. C. Strong of Erie, Pa., is announced by her parents, Mr. and Mrs. W. S. Dick of New Wilmington.

The bride-elect is a graduate of Westminster college and is doing graduate work at the University of Pittsburgh. Her fiancé is a graduate of California State Teachers college. Both are members of the teaching staff of Evans City high school, Evans City, Pa.

EAST BROOK CLUB DISCUSSES BULBS

"Bulbs" was the subject of discussion when members of the East Brook Garden club met Tuesday evening at the home of Mrs. J. A. Young, Crawford avenue.

Miss Ruth Young was co-hostess of the enjoyable evening.

A short business meeting was conducted, with Mrs. Verna Fink reading the club creed. Roll call was answered with "something I would like in my garden."

An interesting and informative talk on "Modern Gloxinias" was given by Mrs. Rose Albarn, who discussed many varieties and colors of the flower. Mrs. Helen Ingham spoke on "Amaryllis Lilies," stressing the fact that there are as many as four species or stems on one bulb. The members held an open discussion of the various types of bulbs.

The hostesses served a dainty lunch later in the evening, with Mrs. Lloyd McConnell as the special guest.

On March 27 the club will enjoy a tureen dinner in the East Brook Methodist church at 6:30 o'clock, with families to be guests of the occasion.

READING CIRCLE '91 MID-YEAR PARTY

Members of the Reading Circle '91 enjoyed a mid-year party at the green room of the YWCA on Monday afternoon, with the program committee in charge of the event.

A green and white color theme was carried out in the decorations, with a delicious lunch served to the group. An exchange of favorite recipes featured the afternoon, and Mrs. W. H. Shipley entertained with a reading.

The next meeting will be held March 12 in the YWCA with Mrs. J. C. Morgan as hostess.

CLARA KOSCIUSKO ENGAGEMENT TOLD

Mr. and Mrs. Stanley Kosciuszko of 33 West Miller street announced the engagement of their daughter, Clara, to William Hemming, son of Mr. and Mrs. John Hemming of 34 West Miller street.

No wedding date has been set by the young couple.

Dorcas Class To Meet

Dorcas class of Central Christian church will be entertained in the home of Mrs. Isaac Davis, 940 Harrison street, Thursday evening, March 1.

PANTHERETTE CLUB HAS ELEVENTH YEAR

Pantherette club members were entertained Tuesday evening at a delightful dinner party held in a private dining room of an inn on the Youngstown road.

A delicious full-course spaghetti and chicken dinner was served at 7 o'clock on a nicely arranged table. Grace was said by Mrs. Joseph Panella before the meal.

Afterwards, dancing, chatting and other diversions were pastimes. Past president, Mrs. Lucy Lemer, spoke on the welfare of the organization.

In charge of last evening's event was Mrs. William Cubellis.

On March 13 the club will meet in the Union Calvary club. Hostesses will be Mrs. A. C. Ricciardi, Mrs. Vario Graziani, Mrs. Ralph Lemer, Mrs. Stanley Litrenta and Mrs. Rocci Litrenta.

SHIRLEY BEYNON SETS WEDDING DATE

Of interest to New Castle people is the wedding on March 16 of Miss Shirley Jean Bynon, daughter of Mr. and Mrs. Wilfred H. Bynon of Butler, Pa., to Raymond Goubeaud, son of Mr. and Mrs. George Goubeaud of Sewickley.

The wedding will take place in the Second United Presbyterian church of Butler. The bride-to-be is the granddaughter of Mrs. John Bynon of Pearson street, New Castle.

Willing Workers Class
Members of the Willing Workers Bible class of the Croton church met at the home of Mrs. Clyde Bishop recently. Scripture was read by Mrs. Bishop and prayer offered by the group.

Mrs. Alice Patterson, president, conducted the business meeting. The entertainment was under the direction of Mrs. Robert Sheely, with a delicious lunch served later by the hostesses, Mrs. John Wilson, Mrs. C. F. VanHorn and Mrs. Clyde Bishop.

The time and place of the next meeting will be announced later.

N.W. Club Gathers
Members of the N.W. club met Friday evening at the home of Mary McGivern, 300 Hamilton apartments, with five hundred as the pleasant diversion. Successful prize winners were Mary Gardner, Dorothy McGivern and Eileen Gregor.

Jean McCoy assisted the hostess in serving a tempting lunch, with plans made to meet at the home of Dorothy McGivern, 1004 Rose avenue, March 9.

PARTY HELD FOR DOERR CHILDREN

Mrs. Frank G. Doerr of Highland avenue entertained a number of little boys and girls Saturday afternoon at a party in honor of her children's birthdays which came on the same day.

Frank G. Doerr II, who was three, and Deborah, who was one year old, both on February 22, were guests of honor. Mrs. Doerr's sister, Patty Montgomery, assisted with the party. Games were played and prizes awarded to the winners. Michael Mitchell, Larry Howell and Eddie Capitola. The mothers assisted in serving a lunch with a large birthday cake, small individual cakes with candles and hats and balloon favors. A pink and blue color scheme was carried out.

Many lovely gifts were received by Frank and Deborah.

Home Watchmen To Meet

Members of the American Home Watchmen will gather Friday evening, March 2, in the Malta hall at 7:30 o'clock.

Mrs. Herman Kuder and Mrs. George Nolte will be in charge of the social period following the business meeting.

Y.L.B. Class To Dine

Y.L.B. class will have a banquet Tuesday evening, March 6, at 6:30 o'clock in Third United Presbyterian church. Mrs. Charles Douglas, Rose avenue, is in charge of reservations, which are to be in by March 1.

LUCKY NINE CLUB

Mrs. Frank Strougl of West Pittsburg entertained members of the Lucky Nine club in her home recently. Five hundred was the diversion, with prizes going to Mrs. Mary Ponziani and Mrs. Thomas Freed.

A tempting lunch was later served by the hostess.

Mrs. John Vens of West Pittsburg will be hostess to the club on March 2.

EVENING SECTION OF CLUB TO MEET

Members of the Evening Section of the Woman's club will meet Thursday evening in the Mahoning Methodist church, with guest night to be observed.

Miss Margaret Cowmeadow, president, will present a book review for the entertainment of the club. The evening's social committee is headed by Mrs. Rene Jenkins.

Y.L.B. class will have a banquet Tuesday evening, March 6, at 6:30 o'clock in Third United Presbyterian church. Mrs. Charles Douglas, Rose avenue, is in charge of reservations, which are to be in by March 1.

HELPING THE REBELS

If revolt has broken out in Red China, as has been reported by various sources, it is to be hoped it is genuine, important and infectious. But at the same time it is necessary that Americans be prepared for disappointment and to recognize the difficulties involved in trying to help the Chinese people throw off Communist rule.

A Peiping announcement refers to thousands of "cadres," which is the regime's term for political workers, being killed—more than 3,000 in Kwangsi alone. The announcement says that sabotage and other kinds of subversive activities have increased. In many cases railways and bridges have been destroyed, factories and mines damaged, warehouses set afire.

The Peiping announcement confirms reports of guerilla warfare by pro-Nationalist groups that are said to number hundreds of thousands of armed men.

But these admissions were made in extending the death penalty to a long list of "counter-revolutionary offenses" committed by "those who work with imperialism against the fatherland." For instance, those who harbor and protect counter-revolutionaries can now be put to death. So can persons found guilty of stirring up disunity, disturbing financial markets, and inciting resistance to army and labor service orders or even tax collection.

The new decree is so broad that the regime can now put out of the way anybody who makes trouble. Another purge is coming, whether the revolution is real or not. The Chinese Communists are following a familiar pattern and they have now reached the point where they are ready to tighten their deadly grip still further.

There is no doubt this move has been forced by what has happened in Korea. Arthur Moore, a British journalist in India who has just spent a month at Peiping for a New Delhi paper, writes that the war in Korea "is already somewhat of a surprise" to the Chinese Reds. He adds: "The casualties are much greater than they expected. The hospitals in Manchuria are unequal to the influx and hospitals in Peiping are heavily denuded of nurses, as they have gone to the front." He refers also to the problem of supply, which is difficult because gasoline is short.

If there is an incipient revolution in China, General MacArthur is helping it along in Korea.

NOT A WORD ABOUT ECONOMY

The administration's tax plan for Congress calls for very heavy increases in corporation and individual income taxes, on top of the boost which went into effect last October. It also asks for big jumps in the excise taxes on automobiles, household appliances and other commodities.

All of this was generally anticipated before the passage was made public. But the startling part of the matter is that not a word is said about cutting non-essential government costs. That was also true of the president's budget message, which went to Congress early in January. This blueprint for the coming fiscal year actually envisioned substantial increases in non-defense spending, to be piled onto a huge military budget.

Here is a policy which if we accept it, can only lead to the impoverishment of our people, the sapping of our energies and resources, and, in time, to the breakdown of our system of government. We are in a very different position now than we were in 1940, when the last defense program got rolling. Then taxes—local and state as well as federal—were low by comparison with the present. So was the national debt. And the family cost of living was about half of today's figure.

It has been authoritatively said that the budget can be cut by as much as \$8,000,000,000 in fields which have nothing to do with the defense effort. That is not far from the amount the currently proposed tax bill is designed to raise. It is the plain duty of Congress to make every possible economy before approving new taxes. The people will pay what they have to pay, and make whatever sacrifices are necessary—but they cannot be expected to supinely accept "politics as usual" in this grim era of our history.

TWO TERMS THE LIMIT

Now that 36 states have ratified the 22nd Amendment to the Constitution, terms of future presidents of the United States are limited to two elective terms.

Passage of the amendment will meet with general approval throughout the nation. Opponents of the amendment had been confident that it would never be approved until several weeks ago, when state after state, most of them in the south, ratified the ban on perpetual tenure in the White House.

This is a most desirable and needed reform in the nation's governmental processes. Many of the ills that afflict the country today might have been avoided if this amendment had been in effect ten years ago.

With ratification of the amendment completed, only one man can hope for election to more than two terms in the White House. The single exception is brought about because President Truman is specifically exempted by action of Congress. But it is extremely doubtful if Mr. Truman can achieve more than two terms if he should attempt the feat.

Detroit cops juggled a man on charge of swiping 19 bed-sheets from a store. Caught him napping?

Talk is cheaper in Greenland and Liberia than anywhere else. There are no telephones in either country.

In View Of News Of The World

By J. C. OESTREICHER, INS Foreign Director

Churchill Wins Partial Victory

Winston Churchill has won a partial victory today in obtaining a pledge from the labor government that in event of a third world war, defense of Britain's home islands "will remain firmly in British hands."

But the wartime prime minister, who resents the fact that an American admiral has been nominated as supreme naval commander of the North Atlantic treaty organization, is not completely satisfied.

He has warned Prime Minister Attlee that he may ask a debate on the naming of U. S. Admiral William F. Fechteler. Such a debate might result in another motion of no confidence and the labor government might become seriously endangered.

Attlee has pleaded with the House of Commons not to press the issue on the grounds the criticism of Fechteler's appointment might cause a rift in Anglo-American relations.

Popular Theme

But Churchill may have hit upon a popular theme. His last four efforts to unseat the labor government on nationalization, rationing and other issues have failed. But in each of these cases, the British parliament was being asked virtually to renounce established government policy.

In the present issue, the case is one of British pride in long-established naval tradition which Churchill said was being "brushed aside." He said further that under the projected set-up, Fechteler could order the British fleet to the U. S. coast or anywhere else he pleased.

This charge Attlee quickly denied and emphasized that the waters around Great Britain will be under the command of a British admiral while the same will apply to British fleet units elsewhere.

But Churchill's oratory has a way of making itself felt and he could have chosen a more volatile subject than alleged disparagement of Britain's navy.

Subject Touchy One

The subject was a touchy one and Churchill realized it. But he probably spoke for a good many Britons in implying that because of huge military expenditures at home and abroad, the United States wants to make sure its own interests are properly protected in the overseas defense problems.

Thus far, the picture presented in the House of Commons is not at all complete, nor is the defense mechanism itself.

Churchill made no mention of the only partially secret fact that Great Britain is mobilizing radar and other electronic aerial defenses for the whole of Europe.

Nor did he mention the enormous part that the Royal Air Force will be called upon to play in the event of another conflict. Strategic bombing will be largely

General Eisenhower hasn't acknowledged his selection as the best-dressed man in America. Right now he's in Europe trying to figure whether Uncle Sam made the pants too long.

One reason Ike got the tailors' vote was that he wasn't in civvies long enough to lose the crease in the new suit.

But this thing removes him as a possible presidential candidate in 1952. We are a baggy-kneed electorate as we march to the polls.

In fact I hear Ike may demand a recount of the best-dressed election. He suspects the use of tailors' dummy ballots.

And I suspect he is as embarrassed as the upright lady who won the upside down cake contest.

She didn't mind winning, but it didn't strike her as a horizontal award and she feared the neighbors would think she was right for the wrong reason.

Anyway, in case of trouble in Europe we will know that we have not only the best generalship, but that the Eisenhower battle jacket is six style points up on the Timoshenko tunic.

Anytime, in case of trouble in Europe we will know that we have not only the best generalship, but that the Eisenhower battle jacket is six style points up on the Timoshenko tunic.

PINK ELEPHANTS

Meet My First King

(By HENRY McLEMORE)

ROME Feb. 28—I met my first king last night.

No congressman on election eve was more democratic or friendly. He shook my hand, embraced me, served me my food, asked for my autograph and, finally, did a solo dance in my honor.

This jiggling monarch of 70 years of age was Alfredo the First, King of the Noodles, or, in Italian, "Il Vero Re Delle Fettucine."

His "palace" is a sparkling new restaurant on the Piazza Augusto Imperatore, and his history as a king, particularly during the last year, is filled with enough intrigue to have delighted the heart of a Borgias.

Story In Brief

Briefly, this is King Alfredo's story. In 1905, Alfredo, an unknown chef then, opened a small restaurant on the Alla Scrofa, and in a few years it was world famous, due to Alfredo's genius at preparing fettuccine, which is noodles with a cheese and butter sauce. The walls were lined with autographed pictures of the world's mighty who had sought out the tiny restaurant on the mean little street.

Fettuccine is as old as the Tiber, but Alfredo's mixing of the dish transformed the flour, egg and water into something fit for the gods. In 1927 George Becker, in his article in the "Saturday Evening Post," hailed Alfredo as a master worthy to stand alongside the geniuses of art, literature, and music.

Douglas Fairbanks and Mary Pickford presented him with a golden fork and spoon with which to mix and serve his noodles. Inscribed on the handles is a tribute to "Alfredo, King of the Noodles."

Money Rolled In

The money rolled in through the years and Alfredo's moustachios grew in proportion. By 1943 he had all the lire he could ever spend and a set of moustachios that required more and more care.

When war rationing made it impossible for him to get the flour, eggs, and butter he needed to make his famous sauce, he sold out lock, stock and barrel to two of his faithful old waiters, and retired. He gave them his pictures, his guest books, his recipe, his blessings—everything except the golden fork and spoon.

A year ago Alfredo, outraged by hearing that some one was making money out of him by styling themselves as "King of the Noodles,"

One after another, the players raised the limit. The Missourian stayed each time. Finally came the showdown: Player number one had an ace-high straight. Number two had a heart flush. Number three triumphantly produced a king-high full house, and was about to rake in the pot when the boy from Missouri asked quietly, "One minute, mister. I ain't quite sure, but I think I got you beat with these two pair of sevens."

Colonel Duffy's safety slogan for the week: "Keep your eyes on the road; a long driver can make a gone goose."

Epistle To Tydings

(By HOLMES ALEXANDER)

Hon. Millard E. Tydings
Metropolitan Club
Washington, D. C.
Honored Sir:

Everything you told the Senate subcommittee about the "moral squalor" and "unadulterated lies" of last November's campaign was true—but your testimony moved me more with nostalgia than it did with indignation.

It's pretty hard to get morally steamed up any more about the stale old knowledge that politics is a dirty game. But you and I, Senator, can get mighty sentimental over the good old days when political mud-slinging was a clean sport that might smear a man's honesty—but never anything so intimate and precious as his good name for loyalty.

Back To 1930

Just for auld lang syne, Senator, let's go back to November, 1930, when you and I were candidates on the same Democratic ticket—your for the U. S. Senate and I for the Maryland House of Delegates. There is a record of that campaign because I used it as material for the first political narrative I ever wrote, a piece called "I Ran for Office" in Harpers Magazine. The main characters in my little story of 20 years ago were the Boss, whom I called Rolling Thunder, a State Senator who is now deceased, and myself. But you were there too, remember? Let's read the yellowed page:

"The campaign was not all beer and skittles. A county newspaper took up the cudgels against our organization in behalf of the independent candidates and devoted most of its columns to a defaming of our individual characters. We were all either crooks or imbeciles. We would, if elected, rob the people, exploit our offices and bungle our jobs. There was larceny in the treasurer's office, corruption in every election; and under our regime, the county was doomed to rapine and ruin. Rolling Thunder was a highwayman, a sabbat-headed villain who should be tarred and feathered out of town. The Senator (who would as soon have touched a hot coal as a dishonest penny) was a grifter, and a lowdown foxhunter who galloped ruthlessly over the farmers' crops. I was a parasitic worm, practically beneath contempt, and the Senator's catspaw."

They Were The Days

Oh, they were the days, Senator! Politics, even at the county seat level, always was a "moral squalor" and "unadulterated lies"—but the squalor of 1930 was hygienic compared with what we have today, and the lies of 1930 were lily white by the same comparison. Let us indulge our nostalgia a little further in the golden past when "Stop Thief!" was the worst thing that political opponents ever shouted at one another. I wrote of the 1930 campaign:

"Each issue of the Bugle produced some new implications of slander. All contractors who did work for the county were—if one could believe what was seen in print—simply 'ghosts' for the county commissioners, the Senator and the bosses. Appropriations for the almshouse, we read, were jingling in iniquitous pockets, while the emaciated inmates were waiting over watered gruel, sanded cereal and comfortable beds. Under calamitous headlines, REIGN OF TERROR IN THE FIFTEENTH DISTRICT, ran an indignant and to me highly diverting story of how the police and fire departments, creatures of Rolling Thunder's omnipotence, had with bludgeonings, threats and browbeatings, herded laboring women and reeling invalids to the primary polls."

We Came Home Winners

Yet the funny thing is, Senator, that you and I came home winners in that election. We rose victorious out of the slim of abuse. We triumphed over the lies that were told. I was a callow youth of 24 then, and sometimes wondered how people could read such things about us—and still vote us into office as the people's choice. "But I don't wonder about that any more. I think I understand it now. This great American public of ours is the most politically sophisticated audience on earth. We have had a free press for so long that readers instinctively know what to believe and what to disregard. Every great man in our history—Washington, Hamilton, Jefferson, Lincoln, Cleveland, Wilson—has suffered the slings and arrows of outrageous newspaper attacks. That is regrettable and shameful. But it is part of the high cost of freedom."

Let's face it. You were not defeated by the lies which were told against you. You lost by 40 thousand votes in a State where the Democratic governor was losing by 90 thousand. The lies and the moral squalor are regrettable and shameful, but they were not decisive. As a Democrat, you were defeated in a Republican year. As an old-timer, you went to the polls when the people were demanding a change. Politics is a dirty game, but it is only played by volunteers. So let's not be too indignant about what happened last November. Such is life in politics. Twenty years from now, you'll laugh at it.

(Distributed by McNaught Syndicate, Inc.)

Looking At Life

By ERICH BRANDEIS

It is too bad that so many people seem to get so little everyday use out of their religion when such a wonderful lot CAN be gotten out of it.

Religion would be something very far-fetched and extremely abstract if it concerned itself only with the after-life and neglected our every-day living.

Yet, to judge by so many letters I receive, thousands of people seem to think that only a DRAB life can be a good life, and that one must deny himself every pleasure, every merriment, every amusement, to be admitted to God's presence after death.

God never intended it that way. Jesus lived among humans long enough to have known their needs, their wants, their longings, their weaknesses.

The laws of God are no different from the laws of man. His laws do not forbid a human being to be human, any more than human laws forbid us to lead normal lives and to enjoy all the decent pleasures life affords.

What both human and divine law forbid are Sin, Crime, Indecency, Excess.

A woman just sent me a most indignant letter. She had taken it upon herself to convert a whole family of relatives to God.

Then, she writes, along comes my column about holier-than-thou folks who are always trying to reform others rather than minding their own business.

"Now you have undone everything I had done," she says, and—"On Judgement Day, this large family, father, mother, three sons, two daughters, and sixteen grand-children, will point their fingers

at YOU and say, 'I am lost, because, Erich Brandeis, of you!'

I had intended to write to this lady and tell her that it is not polite to point your finger.

But her letter was too pitifully narrow to be facetious about it.

She quoted verse and scripture—and like so many fanatics, she interpreted the meaning of her quotations to suit her own ideas.

She cites several verses which she claims condemn smoking and drinking as sinful. (Since when was smoking known in Biblical days?)

But, as she quotes I, Peter, 3.5, she might have gone a little farther, to the 10th verse, which says:

"For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile."

I wonder whether these people who always want to spoil every one's fun in the name of religion, have ever read the story of the prodigal son, in the 15th chapter of St. Luke.

When the boy came back home and confessed his sins, his father did not condemn him. "And they began to be merry."

There was music and dancing and the fatted calf was killed. And, in the last verse of the chapter it says:

"It was meet that we should make merry, and be glad."

As I understand God's will, He has given us merriment and gladness to balance all the misery and sadness which also is part of life.

(Copyright, 1951, King Features Syndicate, Inc.)

A light year, a unit of distance used by astronomers, is about 6,000,000,000,000 miles.

The Unseen Audience

BY H. T. WEBSTER

Believes Flying Saucers Are Missiles Of Enemy

SCITUATE, Mass., Feb. 28.—(INS)—A former expert in the geophysical division of the air force believes that flying saucers are enemy missiles.

"And I think they are Russian, but I don't want to go into that or any more details," said Dr. Anthony O. Mirarchi.

He said during an interview that he thinks the saucers were "on photographic missions over the atomic testing ground in New Mexico."

Dr. Mirarchi said he believes the statement of Dr. Uner Liddell, navy scientist, that the saucers were plastic balloons sent into the upper atmosphere for radiation research was misleading and dangerous because "it creates false security."

Perhaps the missiles were on test runs from overseas to see how far they could go, said the expert.

Dr. Mirarchi said his opinion on flying saucers was substantiated by the use over New Mexico of photodolites, a special camera to record bearings three ways.

"Suddenly Disappeared" "When they were put up," he said, "the flying saucers suddenly disappeared."

He added: "I think the word was passed along by an enemy spy system in New Mexico."

Dr. Mirarchi also recalled that flying saucers also reportedly appeared over a defense establishment in South Carolina.

He said the chief of the air force's atmospheric composition branch of the geophysical division in 1950 investigated 300 reports of flying saucers.

Dr. Mirarchi did not comment on the air force report that 500 investigations failed to disclose any evidence to back up reports of flying saucers.

He believes that the "fireballs" were really "a missile program in advance"—fireballs with explosives could follow these test missiles.

Dr. Mirarchi was a civil service employee. He resigned from his job with the Geophysical research division at Watertown Arsenal in protest over working conditions.

He purchased a country store at Scituate harbor and also has found work as a consultant on explosives in this area. He has a wife and four children.

Two From Ellwood Enlist In Army

Master Sgt. H. O. Falls of the New Castle army and air force recruiting station announced that two Ellwood City men have enlisted in the regular army for three years.

Douglas J. Carsele, 334 Line avenue, and John S. Kimpel, 528 Lawrence avenue, Ellwood City, have departed for Fort Meade, Md., for initial processing and basic training.

Pile Torture Soothed in Few Minutes

Act now for fast relief from torture of piles. Don't wait another day. Apply Peterson's Ointment at once. This cooling, soothing, astringent formula has given joyful relief to thousands for 40 years. Relieves itching quickly. All druggists, box 40c, or applicator tube 70c. Peterson's Ointment delights or money back.

Streets Sweeper To Be Operated Soon On Downtown Streets

Street Commissioner Joseph O'Leary stated that within a day or two, providing weather continues mild, he proposes to have the streets sweeper operate in the business section. The streets are dirty, due to the large amount of ashes which were required during snowfalls. Motor vehicles have ground the ashes, and some of the material with which streets were resurfaced, into dust and clouds of dust are raised by motor traffic.

The scraper was used several nights ago but rain fell and froze which stopped the work.

Much patching will be necessary as large holes have appeared in downtown streets. State highway department has done some patching but a general patching program possibly will have to await the opening of hot mix plants here.

Mercator, world geographer, first applied the name "America" to this continent in 1541.

Patriotic Program At Franklin School

A patriotic program of unusual interest was presented in the recent assembly at Ben Franklin school, with the birthdays of Lincoln and Washington celebrated in a fitting manner.

Speakers taking part in the program included Bette Miller, Bernice Cumo, Martha Chmura, Kay Lewis, Marion Williams, John Julena and Robert Nocera. The narrator was Tom Jones and quotations from speeches and writings of Washington were read by a faculty member, Russell Remaley. Paul Palkovich presented a vocal solo.

The Franklin chorus, under the direction of Miss Esther Gibbons, sang several numbers typical of the Revolutionary and Civil War periods. Incidental instrumental music was furnished by Roger DeLillo, Charles Mazzei, Anthony Ross, and Raymond Coleman, directed by John Paton.

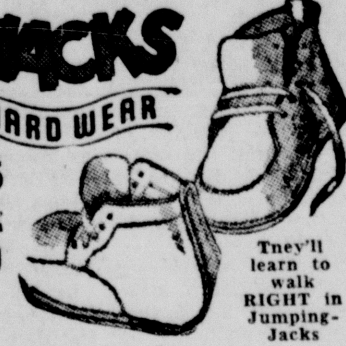

The American Indian usually mounts his horse from the right instead of the left side.

Hoover States Huge Force Needed To Defend Europe

By WILLIAM THEIS
(U. S. Staff Correspondent)

WASHINGTON, Feb. 28.—Former President Hoover told Congress Tuesday that Europe cannot be defended with less than 100 to 125 "battle worthy" divisions and that the present 50-division plan is a "Dunkirk strategy."

Hoover said he is informed that Generalissimo Franco, now sought as an ally against Russia, "would not take his armies out of Spain" because he lacks confidence in the present ground defense plan.

Into Dangerous Unknown
The only living ex-president warned that plans to send four additional divisions of U. S. troops to western Europe is a "step into the dangerous unknown" and will likely lead to what he termed "operation land war in Europe."

Hoover reiterated the call he has voiced in two earlier major speeches for a powerful air and sea program for defense of the United States against possible Russian aggression.

His testimony followed an appearance by Senate GOP leader Wherry of Nebraska, sponsor of the pending anti-troops resolution, who charged the administration's program will lead to "dictatorship."

Hoover came to Washington from Florida, where he has been vacationing for several weeks. He turned down an earlier invitation by the Senate Foreign Relations and Armed Services committee but later sent word he wished to testify.

Difficult To Vision
The Republican elder statesman testified it is difficult now even to see 40 battle-worthy divisions for Gen. Eisenhower's European force two years hence. If America puts up 100 divisions, Hoover said, the force would "still be only 50 divisions."

He declared: "I venture the assertion that continental Europe cannot be defended with less than 100 to 125 battle-worthy divisions."

"In my own view, with less forces than that number from European sources, there is the utmost jeopardy of involving the United States in a full-sized land war in Europe against these overwhelming odds."

Hoover contended the only "real salvation" for Europe now is to "build up the air and naval power

of the United States and Britain so as to overwhelm Russia in case of attack."

Challenges Statistics
The former president challenged administration statistics on comparative armed strengths which he said tended to show the North Atlantic allies outman Russia and her satellites.

Hoover said Russia has at her command probably 550 divisions of active and reserve troops. He cited 175 active Soviet divisions, 50 European satellite divisions, "probably" five Chinese divisions, for a total of 275 and said "to these must be added probably as many reserve divisions."

The elderly witness argued that Eisenhower's European army now has only 13 divisions—not counting the six America is forming. And he said that the four additional U. S. divisions not yet in Europe is "probably only the first installment of American ground troops."

Warns On Disunities
Hoover called for a "more objective examination on the ground" of weaknesses in the fabric of Europe's defenses. He warned about internal "disunities" and fear of war, some Europeans, he said, preferring "an unopposed Soviet occupation" to another war. He declared:

"What these continental European nations need is resolution to pull out of their disunities. That is not a question of morale. It is a question of high and determined statesmanship."

Hoover emphasized that a 100-division ground force would also require an air force on parallel size. In all, he said, the U. S. federal and local spending would reach 150-billion dollars a year. He said such a burden is "unthinkable if we intend to maintain free men in the United States."

DOPE PEDDLER SENTENCED
NEWARK, Feb. 28.—(INS)—Angelina Guerrini, 21, was sentenced to a year in jail on testimony that she attempted to teach the dope habit to a 12-year-old girl.

Magistrate Milton Jacobs lashed the defendant as "the most vicious" dope peddler in Newark and said she was "a menace to anyone with whom she came in contact."

It is estimated that every sold copy of a newspaper is read by three persons, on an average.

Dangerous Threat To Freedom Seen By Senator Martin

PHILADELPHIA, Feb. 28.—(INS)—Sen. Edward Martin (R, Pa.), believes the most dangerous threat to individual freedom today is what he terms the "reckless disregard" for the nation's financial stability.

The state's senior senator appearing before the Pennsylvania Manufacturers 42nd annual banquet last night along with Gov. John S. Fine and Sen. Harry F. Byrd (D, Va.), echoed their pleas for economies in government.

Martin declared: "The worst evils that strike at the foundation of our liberties are public debt, excessive taxation, deficit financing and extravagant spending by all levels of government."

Sen. Duff, the state's junior senator, who had also been invited, was unable to attend.

Legion Of Honor To Have Meeting
Members of the Legion of Honor of the Valley of New Castle Consistory, A.A.S.R., will have their first March meeting on Thursday evening, in The Cathedral.

Plans will be made at this time for the presentation of a television set to the children's ward of the Jameson Memorial hospital, and also for the coming spring reunion, Commander Robert L. Pearson announces.

It took 40 years to progress from the simple Wright brothers' engine to one of 3,000 horsepower.

Tells How Red Cross Is Needed

Rev. Thomas J. Jones
Speaks To Lions Club

Speaking to members of the New Castle Lions club, Rev. Thomas J. Jones, pastor of the First Congregational church, told of the important place the Red Cross fills in the scheme of preparedness, and of the many functions it performs in the life of every community.

While many people feel that disaster in many forms can never happen to us here, the fact remains that these self-same disasters strike many communities who have felt the same way about it, and have had to rely on the merciful arm of the Red Cross to pull them through and restore order from chaos.

Referring to the possibility of an atomic bomb attack, he expressed the hope that it never would happen to us, but the danger still exists, he stated, so we should not be smug about the thing, but should be prepared.

His talk was followed by the showing of a film, "Volunteer 5420", in which the blood donor program of the Red Cross was followed through the various processing steps, and ending with its administration to one in need of blood on the operating table.

The film gave a clear picture of how the program, which is one of the major projects of the Red Cross at the present time, functions in every community throughout the nation.

Four Arrested With \$25,000 Worth Of Stolen Jewelry

LOUISVILLE, Ky., Feb. 28.—(INS)—Three men and a woman carrying \$25,000 worth of stolen jewelry were captured last night in Louisville—trapped by a Valentine card left in an abandoned auto.

Police charged the four with the robbery of the Getz Jewelry Store in Cincinnati last Friday. They were traced through the address on an envelope containing a Valentine which was found in an abandoned car in Cincinnati last Sunday.

The address was that of a tourist court whose operator gave authorities the license number of a second car driven by the four suspects.

Mrs. Miriam Greenberg, a clerk in the jewelry store, identified pictures of two of the men as the bandits. They were Edward Hodge, 27, and Fred Cardwell Jr., 26, both of Louisville. Also held are Ashton D. Marsh, 28-year-old escapee from

the Kentucky reformatory and Miss Sylvia Drum, 25, of Louisville.

Progress Chart Is Erected For Local Red Cross
A unique 12 by 12-foot chart was erected Tuesday afternoon at the eastern end of the public square to mark the progress of the 1951 Red Cross fund campaign,

which was begun officially with the "kick-off" dinner, Tuesday, Feb. 26.

A nine-foot Red Cross will decorate the center of the white scoreboard, and will be divided into 52 squares (\$52,000 is the goal) each to represent \$1,000.

A total to date will be charted at the extreme right, in changeable letters which will give the amount up to fifty dollars.

HUGO, Okla.—A stock of bottled drinking water was listed as a total loss after fire swept through a warehouse used by a company here. Firemen estimated the loss at \$75,000.

Attention! New Castle men who are tired of strong, harsh tobacco-switch to MILD KENTUCKY CLUB

The Thoroughbred of Pipe Tobaccos

Try Kentucky Club for a week
get your FIRST TIN TODAY!

Men! Look this question squarely in the face. Do you smoke your present brand of tobacco because you really like it or just because you are in the habit of buying it?

If you're in doubt, make this test. Switch to Kentucky Club for a week—and notice how much better your pipe tastes—how much fresher your mouth feels.

There's a reason why Kentucky Club is extra mild and smooth. It's made from choice white Burley—blended as only Kentucky Club experts know how. That's why it tastes so grand—smokes so cool—and has such a wonderful aroma.

You pick the thoroughbred of pipe tobaccos when you pick Kentucky Club—yet you don't have to pay fancy prices for it. Buy a tin at your favorite tobacco counter today.

Produced by the Makers of Famous
MAIL POUCH TOBACCO
WHEELING, WEST VIRGINIA

P. S. to Cigarette Smokers—Do you know that a tin of Kentucky Club costs less than a pack of cigarettes—usually lasts 3 to 5 days? So—switch to Kentucky Club—save about \$2.00 a week—and get more pleasure out of smoking.

CUSTOM-MADE Sunny weather FOR WASHDAYS!

with a **HAMILTON AUTOMATIC GAS CLOTHES DRYER!**

Better than real sunny days! Your automatic GAS clothes dryer is faster—and it won't fade colors! There's no chance of soot and dirt from the air getting at your clothes.

Every washday . . . rain or shine . . . winter or summer . . . your clothes dry sweet and clean in minutes in your Gas clothes dryer.

THEY'RE DRIED JUST RIGHT! You can damp-dry or fluff-dry your clothes—whichever you like. To save sprinkling, set the controls at damp-dry . . . your laundry will be ready to iron when it comes out of the dryer. For ironing later in the week . . . or for pieces you put away unironed . . . you can set the controls to fluff-dry your laundry.

THEY'RE WRINKLE-FREE! No deep wringer creases, because clothes are tumble-dried. Many pieces you usually iron need no ironing at all when they come from your new automatic GAS clothes dryer.

YOU'RE FRESH WHEN YOU'RE THROUGH! No more line-stretching, basket-lugging, clothes hanging. No more hurrying to take down wash in sudden showers. Your automatic GAS clothes dryer puts an end to all this drudgery and washday worry.

YOU HAVE EXTRA TIME FOR EXTRA THINGS! You're through so much sooner, you have extra hours for play or rest.

Before you buy any dryer, be sure to ask about operating costs. GAS costs only 1/4 as much for operation! GAS is faster than any other mechanical clothes drying!

YES, FOR CLOTHES-DRYING, TOO GAS has got it!

Senator Byrd Urges Slash In Huge Truman Budget

PHILADELPHIA, Feb. 28.—(INS)—Economy-minded Sen. Byrd (D) Va., today called upon President Truman to stuff "Santa Claus" in the cold freeze for the duration of the present emergency and make austerity the nation's byword.

The veteran Democrat, often at odds with the administration in his role of "budget watchdog," renewed his demand for a \$9 billion slash in the president's \$71 billion budget "to avoid disastrous taxation and ultimate insolvency."

Byrd's remarks to the old guard Republican Manufacturers Association 42nd annual dinner were applauded vigorously by his GOP listeners.

Great Additional Burdens
"I am willing to vote for taxes for national defense," Byrd said, "but I do not like the idea of placing great additional burdens on an already over-burdened people for wasteful political spending."

Two of Byrd's senatorial colleagues, Pennsylvania Republicans Edward Martin and James H. Duff, seconded the Virginia Democrat's insistence upon government belt-tightening.

Byrd lashed President Truman for purportedly failing to keep his pledge of a rigid reduction in domestic spending.

He branded Mr. Truman's new budget "the very height of fiscal irresponsibility" and charged that it actually increases non-defense spending rather than calling for strict economies.

Has Outgeneraled Us
Commented on the delicate international situation, the Virginia lawmaker declared Russia has "out-generaled us time and time again" in foreign policy.

"For ourselves," Byrd said, "we have spent \$60 billion for defense in the past five years and have only one well-trained division at home, two in Europe and about 225,000 troops fighting in Korea."

He added: "We jeopardize our future if we

continue to pursue a vague policy of impractical altruism. It must be realistic. We cannot go over the world like Don Quixote, tilting our lances at every windmill that may have a communist behind it."

Specifically, Byrd demanded that congress close all "loopholes" in existing tax laws. This should begin, he said, with elimination of tax exemptions now given the president, vice president, speaker of the house and members of congress.

Byrd also called for improved tax assessment and collection systems to prevent tax evasion and reiterated that there must be an end to "every dollar of non-essential spending."

Mother Is Facing Murder Charge In Death Of Baby

CINCINNATI, O., Feb. 28.—(INS)—A 30-year-old mother who admitted strangling her 10-day-old baby son to keep him from crying faced a murder charge today in Cincinnati.

Mrs. Alma Winegardner told police she choked the baby to death Monday night while her mother and sister were watching television in an adjoining room. She said she "couldn't stand his crying."

The mother added: "The baby got on my nerves. I meant to pick him up but my hands went around his throat. I kept them there until he stopped crying."

Mrs. Winegardner telephoned police an hour later to confess the strangulation. A murder charge was lodged against her yesterday.

The baby was the result of a common-law marriage.

The glass snake actually is a lizard.

President Asks Increase In Second Class Postal Rates

WASHINGTON, Feb. 28.—(INS)—President Truman asked congress on Tuesday to increase postal rates other than first class mail to a point sufficient to wipe out part of the present postal department deficit of 521 million dollars annually.

The president asked that second class mail rates on the carrying of newspapers and magazines be increased to at least double the present charges.

Mr. Truman told congress it now costs the government 242 million dollars annually to carry newspapers and magazines in the mails for postage revenue of "only about 42 million dollars."

He said that doubling the present rates would bring in only about an additional 40 million dollars, but that the taxpayer should not be expected to bear the cost of carrying newspapers and magazines through the mails.

The president recommended that postal rates be increased "sufficiently to wipe out the bulk of the present postal deficit which should

not be borne by the general taxpayer."

He said the deficit should not be completely eliminated as there are costs incurred in carrying official government mail as well as airline subsidies that run to about 160 million dollars annually.

Mr. Truman asked specifically that postal rates be increased to produce 361 million dollars additional revenue in the fiscal year 1952. He said the annual deficit now run about 521 million dollars.

Kidney Of Dead Man Transplanted; Woman May Live

GLENDALE, Calif., Feb. 28.—(INS)—A 44-year-old Riverside, Calif., woman was given a good chance to live today following a "last resort" operation in which the kidney of a dead man was transplanted to her body.

The patient is Mrs. Millie McCauley, who underwent the operation at Glendale's Monte Sano hospital yesterday.

Dr. H. W. Merrill, the surgeon, said he knew of only eight such previous cases and that all but two of the patients died. However, he added: "I think she is going to live."

Demonstration In Chicago Called Off

CHICAGO, Feb. 28.—(INS)—The CIO-Packaging Workers union has called off a mass demonstration of 25,000 members originally scheduled for today to protest the federal wage freeze order, but Chicago police officials assigned extra squads to handle possible spontaneous outbursts.

International president Ralph Helstein telephoned other packaginghouse union officials in Chicago from Washington, D. C., to order the postponement.

Helstein said he is conferring with wage stabilization officials and believe a clarification of wage freeze modifications proposed by economic stabilizer Eric Johnston might permit a WSB approval of a 9-cent hourly pay increase granted the workers February 9.

INJURED SLIGHTLY
Dale Cummings, East street, was treated for minor injuries in the Jameson Memorial hospital last night, according to Nick Trotta, Farrell, who reported to police that while he was driving north at North Jefferson and Grant streets, Cummings drove a car which struck Trotta's vehicle.

Man Injured In Fall At Hillsville

Thomas Greenaway, aged 60 years, of Youngstown was admitted to the Jameson Memorial hospital Tuesday at 3:10 p. m. for injuries received when he fell a distance of about 18 feet while working in the quarries at Hillsville. Mr. Greenaway is an employee of the Chicago Link Belt Co.

Examination at the hospital revealed injuries of the left shoulder and brush burns of the left leg.

Scott Township Fire Group To Be Blood Typed

Firemen and the Auxiliary of the Scott Township Volunteer Fire Association at Harlansburg, have generously volunteered to have all members of the two groups tested as to blood type by the American Red Cross.

Members of the Red Cross organization will be present Friday evening at 7 o'clock at the Harlansburg high school in order to type all those who are present. The records will be kept on file and opportunity will be given to donate to the blood bank. In case of disaster, the information will be of great value as calls for blood can be placed and the source of the various types known.

LEESBURG

CLASS ELECTS OFFICERS
The Faithful Workers class met recently at the home of Donna Steffe, a member of the class.

The class organized for the ensuing year by electing the following officers: president, Donna Wilson; vice president, Donna Steffe; secretary, Pamela Hassler; treasurer, Barbara Drake.

After the business meeting games and television occupied the girls.

Lunch was served by the hostess and her mother, Mrs. Charles Steffe.

LEESBURG NOTES

Mr. and Mrs. Glenn Blair spent Sunday with relatives at Cleveland.

Mr. and Mrs. Curtis McKee spent Sunday with relatives at New Kensington.

Edna Tunstall spent Tuesday evening with Mr. and Mrs. Ed Kearney of Mercer.

Mr. and Mrs. Dick Macom of Philadelphia spent the week end with the former's parents, Mr. and Mrs. Paul Macom.

Mr. and Mrs. Ellsworth Martin were called to Wooster, O., last week by the sudden death of the former's mother, Mrs. Maude Martin.

Health Talks

By DR. W. A. WOMER

Dad tells Butch to stand up when a woman comes into the room. He tells him that a mother risked her life for every person in the world, every single one.

Butch doesn't understand that yet. He thinks that all the brave ones are soldiers and cowboys and hard guys.

Grandma knows about it and Mom does too but they don't brag. When Doc hears the cheers and groans of a big crowd at a stadium he wonders about the groans it took to bring all those people into the world. If all those groans could be gathered together they would make some noise.

Butch stands up to honor womanhood and motherhood.

Eight out of 10 use public transportation.

Improvements Made By B.&O.

Roundhouse Put In Shape To Care For Diesel Engines

As a part of the Baltimore & Ohio's dieselization program, new diesel facilities have been established at New Castle Junction. The announcement of the improvement came from the general offices of the company in Baltimore, Md.

The roundhouse has been improved to care for diesel engines and a huge diesel oil tank established for the purpose of fueling engines here. The cost locally is about \$133,000.

The B&O system has an expansion program for its diesel servicing and maintenance facilities that will cost \$3,700,000. These facilities have been completed in cities along the B&O's 6000-mile system.

One of the major installations is at the Glenwood shops, near Pittsburgh. Another extensive improvement is near Grafton, W. Va., with the rest of the improvements scattered from Washington, D. C., to East St. Louis, Ill.

Male Cancer Deaths Now Exceed Female

CLEVELAND, Feb. 28.—(INS)—An official of the American Cancer society said today that male cancer deaths now exceed female because cancers among men are more difficult to treat and are easily confused with other internal disorders.

Dr. Charles S. Cameron of New York told a Cleveland news conference that the most recent statistics available show that 102,671 men died of cancer in 1949, compared with 101,980 women.

The ACS medical and scientific director, who is attending a two-day meeting of the society's board of directors, explained that presently only one-third of male cancer is readily accessible to diagnosis and treatment, while two-thirds of female cancer is accessible.

"Since cancer is highly curable when detected early and treated promptly," he continued, "the disease in accessible female sites such as the breast and uterus show much better cure rates than hidden cancers such as stomach cancers which predominate in the male."

Youth With Highest I.Q. Escapes Twice

LANCASTER, O., Feb. 28.—(INS)—Fifteen-year-old Jack Rainsberger of Canton, who has the highest intelligence quotient of any boy in the Lancaster Boys Industrial school, also has Ohio law slightly dizzy today.

He escaped from the school yesterday for the second time within a week.

During his first brief freedom, the boy, serving his second term for stealing, dodged Lancaster police by leaping 15 feet from a hotel window.

He fled to Columbus where he was picked up in a bus station and returned to Lancaster, only to break loose again while en route to the school disciplinary cottage. He is still missing.

Many Nurses Request Hadacol

HADACOL Helps Folks Suffering Deficiencies of Vitamins B1, B2, Niacin and Iron

Registered nurses, in increasing numbers, are showing a keen interest in HADACOL and in the results that are being secured with this great modern formula.

Requests have been received from many of these nurses for professional samples of HADACOL and many of them indicated that

Mrs. Marquess they recommend the HADACOL formula to their patients. For example, Mrs. Kathleen C. Marquess, a registered nurse, who lives at 519 West 2nd St., Hopkinsville, Ky., says this about HADACOL:

"HADACOL has already improved my appetite, and I am sure I'll regain my fifteen pounds soon. Those patients to whom I passed on your professional samples are all continuing to take HADACOL and most of them are now trying it in the family size bottle. All have been helped. Some are much, much better from an emotional standpoint. I saw one yesterday sitting on the porch of the next-door neighbor, chatting and smiling. She had only been able to walk around in the house. Just imagine that—after only three bottles of HADACOL!"

Mrs. Marquess and her patients, whom HADACOL has helped, were suffering deficiencies of Vitamins B1, B2, Niacin and Iron, which HADACOL contains.

Crime Probe Ending In Los Angeles

LOS ANGELES, Feb. 28.—(INS)—The Senate Crime Investigating Committee today winds up its two-day session in Los Angeles after hearing reports of threats against the life of Police Chief William A. Parker.

The committee chairman, Senator Estes Kefauver will take his group north tomorrow to hold a two-day hearing in San Francisco Friday and Saturday.

Police Chief Parker told the committee yesterday of telephoned threats he and his wife received.

Captain James Hamilton of the Police Intelligence Unit verified Parker's statement. He told the committee:

"About a month ago word came to us that the chief would be

"taken care of." He was to address a group at a location ideal for an ambush.

"The entrance was dark and the place had a large banquet hall. We covered him there. However, there was no incident."

VANDAL SLASHES TIRE
Auto tire of a car owned by I. H. Goldstein, Pittsburgh, was slashed while it was parked in a North Mercer street lot, according to a report made to police Tuesday.

GREASE
Grease may be removed from non-washable rayons by sponging the spot gently with cleaning fluid from the wrong side of the fabric, to work out the dirt. Work from the outside of the spot toward the center until there is no definite edge, then pat dry with a clean, dry cloth.

never had any knowledge as to how the school board functioned. A motion was adopted to invite a guest speaker for every meeting of the Central Labor Union in the future.

The Central Labor Union acted on a communication from the Pennsylvania Federation of Labor pertaining to civilian defense, requesting that the Central Labor Union take an active part in local defense programs, and that labor should be offered membership in the executive committee of civilian defense. The Lawrence county Central Labor Union, which is the parent body for all A. F. of L. affiliated local unions in the county, resent the fact that the civilian defense director of the area has failed to invite labor to sit in council in the defense program, although individual local unions have been solicited to participate.

It was reported that the General Teamsters Local Union No. 261 was invited to participate in the transportation and evacuation program. But there is no overall program set up for organized labor.

Pittsburgh School Board Asks State For New Taxes

PITTSBURGH, Feb. 28.—(INS)—The Pittsburgh school board has asked the state legislature to provide new taxes which would raise an additional two million dollars in revenue during 1952.

Here are four proposals which the board submitted yesterday to the lawmakers:

1. A one-half per cent tax on wages and business profits of Pittsburghers to raise about \$3,750,000 yearly.
2. Increase the current 1134-mills real estate tax two mills to bring in an estimated two million dollars annually.
3. Double the current onemill mercantile tax on retail business and do the same to the 12-mill tax on wholesale business, which would produce about \$1,250,000 per year.
4. Enact a general business tax to raise about \$750,000 yearly.

If the legislators do not favor suggestions one or two, then the third and fourth proposals would have to be adopted in combination to raise the needed two million dollars.

Exonerate Woman In Death Of Boy

PITTSBURGH, Feb. 28.—(INS)—A six-man coroner's jury in Pittsburgh exonerated a young nearby Pleasant Hills mother yesterday of criminal negligence in the death of a seven-year-old boy.

"There is no cause for elation," said Mrs. Jean Dow Deaner, 22. "It was a tragic accident."

Her car ran over Richard Terrence McCarthy while he was sled riding last February 3 near his Pleasant Hills home.

Mrs. Deaner testified she didn't "notice any contact or bump" and added: "If I had any idea I'd hit anyone, I would have stopped."

Philadelphia To Have 'Hypothetical' Atomic Bomb Attack

Philadelphia and other eastern Pennsylvania cities and counties will be under a "hypothetical" bomb attack on March 12-13-14.

Col. Alton C. Miller, director of the states' civil defense program, has informed Mayor Samuel J. Philadelphia of the proposed "hypothetical" attack. The eastern end of the state will have heavy demands made upon it in support of civil defense resulting from the attack.

Total area affected by all the two bursts will be about 97.64 miles.

The city of Philadelphia will make preparations for the attacks just as though a real attack were being made, although there will be no mass evacuation from the city.

State's 'Mueller Act' Appears Threatened

PITTSBURGH, Feb. 28.—(INS)—Pennsylvania's "Mueller Act" was threatened today as a result of the U. S. Supreme Court ruling that states cannot ban strikes in public utilities.

The high court ruling specifically knocked out a Wisconsin law that prohibited strikes and required compulsory arbitration.

That also is a requirement of the Pennsylvania law. It was passed by the state legislature after George L. Mueller led his independent union of Duquesne Light Co. workers through a 27-day strike in Pittsburgh in 1946.

In a 6-3 decision on the Wisconsin law, the court said yesterday that Congress has taken over legislation in the field and states may not interfere. Pennsylvania state officials made no comment as the ruling threw a cloud over similar acts in other states.

Arthur J. Goldberg, general counsel of the CIO, hailed the action as "clearly" extending to similar laws in such states as Pennsylvania, New Jersey and Nebraska.

New York Mayor Defends His City

NEW YORK, Feb. 28.—(INS)—Mayor Vincent Impellitteri took issue with a minister's characterization of New York as "a modern Sodom."

New York, the mayor declared, "is the cleanest city in the world for its size."

The Sodom description was applied in a Sunday sermon by the Rev. Ira W. Langston, pastor of the Park Avenue Christian church, who charged the city is "fundamentally rotten to the core."

Stewart Named For District Judge

WASHINGTON, Feb. 28.—(INS)—President Truman on Tuesday nominated William Alva H. Stewart of Pennsylvania to be U. S. district judge for the western district of Pennsylvania.

Stewart succeeds Judge Nelson McVicar, who retired.

Beware Of Reds, Labor Head Warns

Pennsylvania Federation vice president Alfred J. Mascaro, representing District No. 12 (Beaver, Butler, Lawrence, Mercer and Venango counties) has been informed that the communists have been ordered to infiltrate into A. F. of L. affiliated local unions in this industrial area. The communists have been ordered to seek membership in all unions (skilled and unskilled unions) so they might get control to create class discrimination and order work stoppage in important industries vital to the defense of our country.

Said Mr. Mascaro: "Mostly their program is a 'must' to infiltrate in the following A. F. of L. locals such as the Teamsters Union-Railway Clerks due to their transportation importance, the Machinists Union due to the importance in industry and railroads, Carpenters Union is also considered important to their program for destruction in the construction field. It is important that all local unions be aware and be cautious of those seeking membership in your union."

"Speaking as an officer of the General Teamsters Union, the Taft Hartley law will not protect anyone found to be a communist or fellow traveler from being thrown out the door or window be it on the first, second or tenth floor. No one but Americans will be allowed to become members of the Teamsters Union, and God help those who lie to gain membership."

"It is urged that employers guard from being smoothed by fast talkers who say they do not or would not have anything to do with unions but that they must join because they need a job, and to a great extent individuals are protected by employers, and in the end they are ferreted out after disturbing good labor-management relations—they caused the damage they were intended to perform. Management must work with labor as Americans."

Engineer's Week Being Observed

George R. Emery, president of the Midwestern Chapter, Pennsylvania Society of Professional Engineers, announced today that his chapter intends to participate in the nation-wide observance of Engineers' Week, this week, which is being sponsored by the National Society of Professional Engineers.

Engineer's Week is inaugurated by the National Society of Professional Engineers in an effort to bring to the attention of the American people the importance of the professional engineer and his vital function in America's safety, progress, and welfare. The date for Engineers' Week was chosen in close proximity to that of George Washington's birthday, in order to honor the Father of our Country, himself an engineer, who was responsible for the formation of the Army Corps of Engineers.

The membership of the Midwestern Chapter, Pennsylvania Society of Professional Engineers includes nearly 50 engineers from the New Castle area.

Walmo P.T.A. Has Scout Program

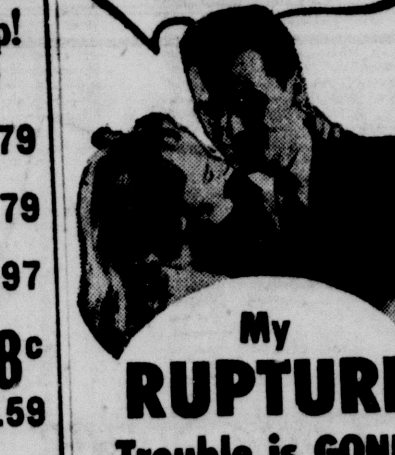

Members of the Walmo P.T.A. met recently at the Walmo school, with the Walmo Boy Scouts in charge of the program for the evening.

Mrs. Robert O. McCullough had charge of the meeting, with a discussion held on the spring conference of P.T.A. to be held in New Castle in April.

Mrs. George Marquis introduced N. J. McCullough, scout master, who in turn presented Dale Clobus and J. Fletcher, assistant leaders who told of the various phases of scout work. A few remarks were made by A. Mellor, a member of the trustee board.

Displays of types of scout work were shown during the evening. The Boy Scouts were hosts and served a delicious stew dinner.

15 MINUTES WITH SYKES CHANGED MY WHOLE LIFE

My RUPTURE Trouble is GONE!
Yes sir, the fifteen minutes I spent with a Sykes Specialist has changed my entire life. He examined me, showed me my trouble and explained how I could be helped. I was fitted with a comfortable, trouble-free control designed especially for my rupture. It had no straps, buckles, or belts to irritate me. Soon as it was adjusted I began to feel better. That was 3 months ago. Today my health is good, my disposition bright and I'm doing my share of work. The continuous follow-up service Sykes renders assures me of continuous comfort—a lifetime of guaranteed satisfaction.

New Minor Planet Is Reported Rapidly Approaching Earth

By DARRELL GARWOOD
(U. S. Staff Correspondent)

WASHINGTON, Feb. 28.—A new minor planet that may be 100 miles or more in diameter today appears to be rapidly approaching the earth.

Dr. William Markowitz, U. S. Naval Observatory astronomer who discovered the planetoid, says that it may come closer to the earth than the moon.

If this happens, it would become the first of more than 1,600 charted planetoids ever to come within sight of the naked eye.

There is a possibility, however, that the planetoid may have an "eccentric" orbit around the sun and will not come anywhere near the earth.

Markowitz, a University of Chicago and Yerkes Observatory graduate, last night announced discovery of the large planetoid on a long-dash exposure photographic plate taken with the navy's 26-inch refracting telescope Saturday night.

Congress Passes Bill Authorizing Naval Construction

WASHINGTON, Feb. 28.—(INS)—The senate passed and sent to the White House Monday at \$2-358,000,000 naval construction bill authorizing funds for 140 new vessels, including a 60,000-ton super aircraft carrier.

The legislation authorizes funds for the conversion of 292 ships.

The bill was passed by voice vote after only a brief explanation. It previously was adopted unanimously by the house.

Don't be HALF-SAFE

by VALDA SHERMAN

Many mysterious changes take place in your body as you mature. Now, the glands under your arms begin to secrete daily a new type of perspiration containing substances which will—if they reach your dress—cause unpleasant clinging odor.

You'll face this problem throughout womanhood. It's not enough merely to stop the odor of this perspiration. You must now use a deodorant that stops the perspiration itself before it reaches—and ruins—your clothes.

As doctors know, not all deodorants stop both perspiration and odor. But Arrid does! It's been proved that the new cream deodorant Arrid stops underarm perspiration 1 to 3 days safely—keeps underarms dry and sweet.

Remember this, too. Arrid's antiseptic action kills odor on contact—prevents formation of odor up to 48 hours and keeps you "shower-bath" fresh. And it's safe for skin—safe for fabrics.

So, don't be half-safe. Don't risk your happiness with half-safe deodorants. Be Arrid-safe! Use Arrid to be sure. Arrid with Creamogen will not dry out, and it's so pleasant and easy to apply. Get Arrid today.

Dulles Reports To President On Japanese Treaty

WASHINGTON, Feb. 28.—(INS)—Foreign policy adviser John Foster Dulles told President Truman Tuesday that progress has "gone far" toward a Japanese peace treaty to "erect a bulwark against new war and new aggression in the Pacific."

Dulles, just returned from extensive conversations seeking a treaty of peace with Japan, in Tokyo, as well as conversations with

government leaders in Australia length to the president on the outcome of his mission.

Armed Bandit Gets Air Force \$33,000 Payroll

(BULLETIN)
WICHITA FALLS, Tex., Feb. 28.—(INS)—An armed bandit today held up a Sheppard Air Force Base finance officer and escaped with a \$33,000 payroll.
The bandit, clad in army fatigue clothes, escaped after attempting to kidnap the finance officer, Capt. Ray D. Harwood and his aide, Corp. John J. Hersch.
Provost marshal Maj. Vernon E. Wilson, said the robbery occurred about 7:45 a.m.
He said that Capt. Harwood reported the bandit was hidden in the back seat of the captain's car when he and Corp. Hersch left the finance office with the payroll.
Capt. Harwood, who was driving, said the bandit ordered him to stop the car a block away from the finance office. Capt. Harwood said he leaped out of the car and the bandit climbed into the driver's seat and fled with Corp. Hersch in captivity.
Hersch said he escaped when the bandit slowed for a traffic light near Wichita Falls.
The payroll, according to Maj. Wilson, was for a student squadron.

G.N.C.A. To Expand Service To Farms

With the idea of expanding the services of the Greater New Castle Association even more to the agricultural interests of the county, a meeting was held in the G.N.C.A. office Tuesday night.
Attending were members of the association who are in lines of endeavor correlated to the agricultural industry and all of them expressed their willingness to serve on such a committee.
After some discussion with Eben L. Reid, executive vice president of the G.N.C.A., it was decided to hold another meeting on March 13 at which time a number of farmers will be invited to attend and present some of the problems in their line of work.

To Replace Building Ruined By Fire

Andy Pfahles today was granted a building permit by the city to construct a one-story brick building for Bordonaro & Canfora on South Mill street, to replace the building ruined by fire some months ago. According to an estimate the new structure will cost \$20,000.

Senator Vandenberg Is Seriously Ill

GRAND RAPIDS, Mich., Feb. 28.—(INS)—Michigan's veteran Senator Arthur H. Vandenberg battled today against what is considered one of the worst attacks of a two-year-old ailment.
Dr. A. B. Smith, physician for the 67-year-old Republican, termed his condition "not as favorable" as it has been because of "unforeseen developments in the last two or three days."
The statement was issued following the doctor's consultation with the senator's son, Arthur H. Jr., who flew home from a business trip in Brazil to remain at the Grand Rapids home on a "day-to-day" basis.
The Michigan senator was hospitalized in Grand Rapids last November. He has made only a few Washington appearances in the past year.

Two More National Guard Divisions May Be Called Up

WASHINGTON, Feb. 28.—(INS)—Gen. J. Lawton Collins, Army Chief of Staff, told Congress today that two more National Guard divisions may have to be called up for active duty this year.
Collins informed the House Armed Services committee that it is "entirely possible that I may have to recommend" such action to the Joint Chiefs of Staff.
Collins added, however, that if the two divisions are called up, it will not be until after July 1.
So far, six of the 27 National Guard divisions have been called up by the army for active duty, as well as three of the 21 regimental combat teams.

License Of Pilot In Plane Disaster Has Been Revoked

WASHINGTON, Feb. 28.—(INS)—Eric Rios Broux, 30, the Bolivian pilot whose fighter plane collided with an airliner over National Airport 15 months ago, causing 55 deaths, today is without a license to fly in the United States.
The Civil Aeronautics Board, which previously ruled that Broux probably caused the accident, revoked his pilot's license on the grounds that he was careless and reckless, and "demonstrated a lack of judgment, caution, and disposition to submit to regulation."
Broux reportedly left the United States last July.

Says March To Come In Like Wet Lamb In Eastern Pennsylvania
PHILADELPHIA, Feb. 28.—(INS)—The weatherman said today that March will come in like a lamb—but a rather wet one.
He forecast rain for tomorrow, the first day of March, but said the temperature in eastern Pennsylvania would be mild.
It will be colder today and tonight, however, with increasing cloudiness and an expected overnight low of 30 to 35 degrees.
In Philadelphia during the past 24 hours the temperature ranged from a warm 66 to a 40 degree low.
Other readings: New York, 61-38; Washington, 68-42; Chicago, 48-27; San Francisco 52-39, and Atlantic City, 65-41.

Presbyterians Plan Big Event

First Presbyterian Has Sesqui-Centennial

Plans for the observance of the Sesqui-Centennial of the First Presbyterian church will be outlined at a meeting of a committee appointed to make arrangements for a big celebration to be held early in the summer. This preliminary meeting will take place this evening at 7:30 o'clock at the church.
Attorney William D. Cobau has been named general chairman of the committee on arrangements.
The First Presbyterian church is one of the oldest churches in Lawrence county, having been organized soon after the city of New Castle was founded. It is planned to make the coming observance a fitting one.

Perry S. Gaston Post Makes Plans For Coming Events

Plans for coming events were outlined at the meeting of Perry S. Gaston Post American Legion, at the semi-monthly meeting in the Legion Home, Tuesday evening, with Commander Manning Weller, presiding.
It was announced by Commander Weller that A. R. Heisman, a member of the post, will speak at the meeting March 13, on the topic "What are we going to do about it?"
The post will sponsor another entertainment for the men and women at Deshon hospital on March 29, it was announced by Kenneth Smith, chairman of the hospital committee.
Donations were made by the post to The Lawrence County Civilian Sponsoring Committee, and the American Red Cross. The sponsoring committee furnished gifts to the men leaving for service, and the Legion gives each man a courtesy card on his departure.
The rest of the meeting was occupied with committee reports and routine business.

Manpower Calls Occasion Crisis For U.S. Colleges

CINCINNATI, O., Feb. 28.—(INS)—The president of the University of Cincinnati declared today the manpower calls of the armed forces may ruin the United States' system of higher education.
Dr. Raymond Walters, U. C. president, asked the board of directors of the National Sales Executives for financial help for private colleges and universities to help offset large gaps left by students called up in the defense effort.
Dr. Walters told the board meeting in Cincinnati:
"American universities, colleges and technological schools under private control are up against the gravest crisis in their history."
He pointed out that under present draft policies, today's freshman engineering classes will produce barely 17,000 graduates four years from now, as compared with 50,000 in 1950.
The university head said that because many regard federal aid to education as a great danger, "it would be wise for industry to help feed the academic goose that lays the golden eggs."

Allocation Controls On Cattle-Hides Are Ordered Today

WASHINGTON, Feb. 28.—(INS)—The government today clamped complete allocation controls on cattle-hides—the main leather used in shoemaking—but said the action will not affect supplies of shoes.
At the same time, the National Production Authority announced it will begin immediately a vast construction program of machine tools to be used in defense output.
The leather order provides for the allocation of February's entire production of cattle hides, calf skins and klips, which are used to make shoes, gloves, belts and other items.
Sales of the three leathers have been frozen since Feb. 5 and NPA said today's action will assure "equitable" distribution of the supplies to manufacturers.

TO BUILD SKYSCRAPER
CHICAGO, Feb. 28.—(INS)—The Chicago Tribune reported today that the Prudential Insurance Company of America is planning to build a 40 million dollar skyscraper on the city's downtown Lake Michigan waterfront.
The paper said building plans for the 42-story office structure will be announced tomorrow in a dinner address by an undisclosed speaker.

HARRISBURG, PA.—Mrs. Eleanor G. Evans, of Delaware county, was confirmed by the State Senate as Secretary of Public Assistance in Pennsylvania's Governor John Fine's cabinet. Mrs. Evans is the only woman member of the new cabinet.

Canada Aiding In Building Radar Screen For Continent

CHICAGO, Feb. 28.—(INS)—Clarence Decatur Howe, Canadian minister of trade and commerce, said in Chicago his country is building a series of radar stations to connect with U. S. installations and form a tight radar screen around the entire continent.
The senior member of Prime Minister St. Laurent's cabinet also told the Chicago club that Canada is changing its arms from British to American type equipment so munitions will be interchangeable.
Howe added that Canadian defense plans stress air and sea power rather than land armies since the country's population is only 14 million.

Baby Born Weighing Pound And Half

MILWAUKEE, Feb. 28.—(INS)—A baby boy born Monday with a weight less than a pound and a half was fed 10 cubic centimeters of sugar water last night and hospital authorities in Milwaukee reported he has a good chance to live.
The child, Dennis Lee Rottman, is being kept in a patented incubator called "isolette" which contains a built-in scale, heater, oxygen provider and humidity regulator. He weighs 23½ ounces.
Nurses feed the boy—the son of Mr. and Mrs. Irving Rottman—with an eye-dropper.

Youth Disappears On Way To Bank With \$8,458 Fund

DETROIT, Feb. 28.—(INS)—A three state alarm is out today for a 25-year-old Detroit auto sales agency accountant who mysteriously disappeared Monday on his way to the bank with \$8,458.
Police throughout Michigan, Indiana and Illinois have been alerted to be on the lookout for Dewey Wilson.
The young accountant vanished shortly before noon Monday after he left the Buick factory retail store to make the day's bank deposit.

Rudolph W. Mayer Loses Life In Fire

LOS ANGELES, Feb. 28.—(INS)—Rudolph W. Mayer, 63, brother of film producer Louis B. Mayer, died last night in a fire at the Gaylord apartments in Los Angeles.
Mayer, who was a millionaire five times but lost his money each time, perished after a mattress in his room caught fire.

Alabama Court Ruling Is Against State Communist

BIRMINGHAM, Ala., Feb. 28.—(INS)—Communist party members in Alabama were confronted today with a court ruling that holds they do not have a "reputable source of income."
Judge Newton Powell, special circuit judge from Decatur, handed down the ruling yesterday in upholding a Recorder's court decision finding Smal Hall, Alabama's reputed number one Communist, guilty of vagrancy.

Birmingham police arrested Hall and Paul Thomas Rose last June. Hall's vagrancy charges were in the courts for several months as he demanded the right to a jury trial. However, the State Supreme Court turned him down last month.

Judge Powell said: "This case of Hall's vagrancy charge is unique. It's a question of whether or not he is guilty of vagrancy because his admitted sources of income was from the Communist party."

Judge Powell said that since the city charged Hall did not have "a source of reputable income," he believed the man to be guilty since his source of income is the Communist party.

Judge Powell said Rose was not guilty "because the court record does not show Rose was working for the Communist party or had any connections."

Red Cross Fund Drive In Nation Officially Open

NEW YORK, Feb. 28.—(INS)—The 1951 Red Cross fund drive is under way officially today, with a contributions goal of \$85,000,000. President Truman and Defense Secretary Marshall launched the drive last night via television and radio speeches emphasizing the greatly increased responsibilities of the Red Cross in the present emergency.

COUNTY RED CROSS DRIVE UNDER WAY

(Continued from Page One)
residential division emphasized the necessity of housewife membership in the Red Cross, stating that the residential quota has been increased 100% over that of last year.
Dr. Frank L. Burton has postponed the campaign in the schools until March 9.
Marion Streett, chairman of the railroad division, told of the progress of his division and specifically of the recent meeting of Pennsylvania car shop workers in which 551 attended.
Future report meetings have been scheduled for March 2, 9, and 16.
The Ellwood City drive will not begin until March 12.

Heart Campaign Comes To Close

Committee Winds Up Campaign Here Today

Members of the committee which had charge of the annual Heart Campaign in Lawrence county are winding up the details of the campaign today, and are hopeful that the returns will show as much as was received in this effort last year.

The campaign locally has been conducted by the Life Underwriters Association, under the chairmanship of Calvin L. Rasey, and various other public places.
The banks, which were placed in plants and various other public places, are being gathered in today.

One of the fine contributions received today was a gift of \$75 from the Standard Steel Spring Co., and the sum of \$53.25 from the Standard Steel Spring Company Employees Welfare and Recreation association.
Any persons who have not yet contributed and who wish to do so, may send their contribution to Heart Fund Campaign, Greer building, or in care of the local postmaster, it was announced today by Mr. Rasey.

Seventh Ward

Ward Civic Club Meets Tuesday

Plan Safety Lines For School Children

At their headquarters on North Liberty street, the Seventh Ward Civic club gathered on Tuesday for a dinner meeting, with president Fred McLure in charge.

During the business session, the matter of the prospective waste paper and magazine drive was further discussed, and the possibility of securing the use of a freight car on a local siding was taken up. This will be for use during the interim, before the final drive and paper collection about April 15.

It was reported by Elmer Tinsman the necessity of painting white lines for a safety walk for children going to and from school, corner of Swansea and Cedar also Swansea and Liberty streets, and that the police authorities promised to take care of the matter.

Next meeting Tuesday, March 6.

Missionary Group Will Meet Thursday

On Thursday, the Women's Missionary society of Mt. Jackson U. P. church will be entertained in the home of Mrs. Clyde Metz, Mt. Jackson road, for an all day meeting. Mrs. Elmer Gaunt will be co-hostess.

Scout Leaders Will Camp Over Weekend

On Tuesday evening Boy Scout troop No. 4 assembled in Mahoning school with Bill Weitz, scoutmaster, in charge.

Senior patrol leader Bill Shaffer was in charge of opening exercises. John DeFelice was appointed troop scribe.

Boys went to patrol corners and transacted the separate business affairs, and take care of crediting attendance and scout dues.

A new patrol was organized, with Ray Olson as patrol leader. John Hall, assistant scoutmaster, assumed charge of the recreational period.

The troop will organize its own library, located in the scout cupboard, with Bill Stern as troop librarian.

This weekend the troop leaders will be at Camp Agawan on the Slippery Rock at Rose Point. They will take part in the junior leaders training course. Those attending will be junior assistant scoutmaster John Finnin, senior patrol leader Bill Shaffer, patrol leader James DeVidio and assistant Kenneth Turk, patrol leader Terry Stone and assistant Loyal Parady, patrol leader Ray Olson and assistant Davis Muntean.

The scoutmaster was in charge of the closing ceremony.

Girl Scouts Observe International Month

At Mahoning school on Monday evening there was a joint meeting of Girl Scout troops Nos. 60 and 61 for observance of "International Friendship" month.

After the flag ceremony and reciting the "Girl Scout Promise" with Barbara Glink conducting, Mrs. T. Edward Rainey, leader, taught the girls the song "Are You Sleeping Brother John". With the aid of their guest amid much laughter, the girls sang it in several languages.

The guest speaker was Mrs. Walter Lucjak of this city, who as a girl in Belgium had been a member of the Girl Scout organization. Mrs. Lucjak related interesting details of scouting in her native land, and graciously answered many eager questions.

Later, refreshments were served in buffet style prepared by mem-

bers of both troops as part of their work on badges.

Other leaders and committee-women present were Mrs. Mike Cubellis, Mrs. Mary Rebold, Mrs. Edward Tusciano, Mrs. Howard Culbertson, Mrs. Albert Hahn, Mrs. John Porter, Mrs. Cubellis is the local representative on the organization committee.

Ward Sewing Circle Has Dinner Meeting

Members of St. Margaret's Sewing Circle gathered on Monday evening in St. Margaret's hall for regular meeting. Mrs. T. C. Rainey presided.

A tasty repast was enjoyed, with tables decorated with flowers and lighted tapers. Hostesses were Mrs. Virginia Short, Mrs. Annie Perrett and Mrs. Sandy Rainey.

Various games were the diversion of the evening. The door prize was won by Mrs. Rose Zarella. Sewing and crocheting were done during the evening.

The next meeting of the circle will be on Monday, April 5 when they will partake of a dinner at a local tearoom.

Family Birthday Club At Piccerillio Home

Members of the Family Birthday club gathered at the home of Mrs. Margaret Piccerillio, 202 South Liberty street, on Saturday evening, February 24.

Games were played during the evening, with prizes going to Mrs. Annie Perretta, Mrs. Rose Zarella and Mrs. Mary Stone. The door prize was awarded to Mrs. Lillian Guido.

A delicious lunch was served by the hostess, assisted by her sister, Mrs. Guido, and Mrs. Rose Perretta.

The club will next meet on Thursday, March 8, at the home of Mrs. Rose Perretta, 219 North Liberty street.

Seventh Ward Notes

Girl Scout troop 60 will have their next meeting on Wednesday, March 7, when they will continue their badge work.

W.C.T.U. Executive Meeting

Lawrence County W.C.T.U. executive committee gathered in the Y.W.C.A. with Miss Margaret Wilson, vice president, presiding. Mrs. Scott Munnell, spiritual life director, opened the meeting with a devotional period. "Scriptural verses" were given in response to roll call. Mrs. Munnell offered the closing prayer.

Departmental reports were given. North Beaver W.C.T.U., which was recently organized, was represented by Mrs. Charles L. Henderson, the president.

The executive committee voted to send Miss Wilson to the county presidents' meeting in Harrisburg, on March 5-7, when Mrs. A. F. Leonard, Pittsburgh, the state president, will preside.

Scotland W. C. T. U.
Scotland W. C. T. U. gathered in the home of Mrs. H. J. Kenahan, R. D. 2, Miss Lillian Matthews conducted devotions, while Miss Margaret Lowery led in prayer. Miss Matthews read selections from the monthly program.

A biography of Frances Willard, founder of the W. C. T. U., was given by Miss Lowery. Several other articles were read by the members.

A tasty lunch was served by the hostess, Miss Lillian Matthews will entertain in March.

New Crisis Faces French Cabinet

PARIS, Feb. 28 — (INS) — The French cabinet of Premier Rene Pleven was faced today with a new crisis in the National Assembly over the government's proposed reform bill.

Pleven's coalition government last night offered to resign after it won a vote of confidence by the narrow margin of 243 to 216. President Vincent Auriol refused to accept the resignation.

At 3 p. m. today the assembly will consider the electoral reform plan of the popular Republican movement (MRP) whose members abstained in yesterday's vote.

If this is rejected the government is expected to pose a new question of confidence on its own measure which is violently opposed by the MRP.

Medical Society To Meet Thursday

Members of the Lawrence County Medical society will have its regular meeting Thursday evening, March 1, in the Jameson Memorial hospital solarium at 9 p. m.

Dr. B. R. Girdany, pediatrician of the University of Pittsburgh will be the speaker of the evening. His talk will be about obstructive lesions of the newborn.

Dr. Girdany who has had training in radiology, was to have been the speaker here in February, but the meeting was cancelled due to bad weather.

Oak Street Group To Meet Thursday

Members of the executive committee of the Oak Street P.T.A. will assemble in the teachers' room at the school on Thursday, March 1, at 1 p. m.

City Council P.T.A. Plans For Meeting

Members of the City Council of Parents and Teachers will meet Wednesday, March 7, in the New Castle senior high school. An executive board meeting will be held at 7 o'clock, with regular business to be conducted at 8 o'clock.

Mrs. Roy Hall, president of the Allegheny County Council of P.T.A., will be guest speaker. All presidents of New Castle city units are to notify their representatives to city council and to invite members of their units to attend this meeting.

Plans will also be made for the spring conference of P.T.A. to be held at New Castle on April 21.

The United States has more than 20,000,000 dairy cows.

Report Detroit Has Epidemic Of Mild Flu

DETROIT, Feb. 28—(INS)—Detroit continued today to suffer with an influenza epidemic that has caused widespread absenteeism in schools, factories and offices.

Although the current wave of flu is described as a mild form, yesterday nearly 800 public school teachers were absent from their desks.

And student illness is on the upgrade too. Ten per cent of the students were absent yesterday, as compared to the normal five per cent.

Most factories are reporting unusually high illness among workers, and physicians are swamped with calls from flu sufferers.

Detroit Health Commissioner Dr. Joseph Molnar said the disease is at its peak now, but may remain there for several days. He predicted that the influenza outbreak will take three or four weeks to run its course.

Loss In Farm Fire Placed Near \$40,000

LANCASTER, Pa., Feb. 28—(INS)—Damage of \$40,000 was estimated today in a farm fire near Reinholds in which 27 cows and two horses were burned to death.

A large barn and wagon shed were destroyed in the three-hour early-morning blaze on the farm operated by Martin Frey.

Fire Chief Luke Ochs, of Denver, who estimated the damage, said a short circuit in the barn's electric wiring system might have caused the blaze.

Seven acres of tobacco, stores of hay and straw, and all of the farm machinery except two tractors were destroyed, he said.

The concrete and frame barn had been remodeled recently.

Governor Fine Tells Of State Plans On Taxes

PHILADELPHIA, Feb. 28 — (INS) — Pennsylvania's business and industrial leaders were told last night by Gov. John S. Fine that corporation taxes will be raised in the 1951-53 biennium while other uniform levies will "not be overly burdensome to any group."

In a speech to several hundred persons attending the annual meeting of the Pennsylvania Manufacturers' Association at Philadelphia, Governor Fine promised to keep a tight rein on state government expenditures during the biennium opening June 1.

He emphasized, however, that while economy will be the keynote of his first biennium in office the commonwealth will not be "parsimonious" in civil defense, health and education expenditures.

The governor said that the cost of government has increased 75 per cent since 1940 and stated:

Not To Run Hog-Wild

"We are not going to run hog-wild in expenditures for state government in this commonwealth. I have said that the cost of government has risen. That is true. But I do not wish to pass on every cent of the rise if economics can be obtained here and there in the conduct of government and if greater efficiencies of operation can lessen the burden."

"Additional new taxes will have to be collected. There is no way of escaping that. But we intend to keep them at a minimum. Prudent management of state affairs will assist in that aim to some extent."

Fine assured the state's industrial and business leaders that they need not fear being saddled with the entire burden of the anticipated tax rise.

Can Be Exhausted

"Business moneys can be exhausted just as the resources of individuals may vanish if they are overtaxed," he declared. "That is why we intend to spread whatever needed additional revenues may be found to be necessary — spread them so that they will be uniformly

applied and not be overly burdensome to any group or groups."

Governor Fine said that while the budget for the next biennium has not been completed he could predict that it will not exceed that of the current fiscal period by more than three per cent.

"We do not yet know what our civil defense program is going to cost," he told his audience. "We will take every step necessary to properly and adequately protect our people against the possible ravages of war which might strike this commonwealth."

"We are going to insure within our collective abilities that our industries are protected against sabotage and external attack. But we are not going to go overboard by providing unnecessary money for this protection."

Not To Throw Money Away

"We are not going to throw money away," he declared. "We are going to get back in protection the value of every dollar we put into it. Up to this moment we have pursued the policies and reorganization directives as drawn by that self-sacrificing American and outstanding Pennsylvanian—Gen. Richard K. Mellon."

"Yet," Fine asserted, "with civilian defense as one of the several imponderables before us, I can say to you now that the budget for state government for this biennium, outside of obligations for meeting the soldiers' bonus, mandated salaries for teachers, state authority rentals and education appropriations required under existing law, will not be more than three per cent over what was needed for the last biennium."

This Will Be True Despite Increases In Costs Of State Government, In Salaries, Wages, State Purchases And The Like.

Started Pruning
"We will see to this by paring the budget wherever it is possible to economize without losing efficiency. We have started the pruning

and we are still continuing the process of pruning," the governor said.

Corporation taxes will not be boosted outrageously, he promised. Fine said:

"While I have not yet made my final recommendations for additional revenue, I feel confident that the share that industry will be called upon to bear will not be larger proportionately than at present."

"True, we may find it necessary to defray a part of needed additional revenues by slightly raising the corporate tax. If we can avoid

the imposition of further taxes on industry, we will do so."

"If not, you may rest assured that the increase will be light. I think we have gone as far as we can safely go at this time in imposing taxes on industry in Pennsylvania, particularly in relation to taxes levied by surrounding states. Nevertheless, we must recognize that the time is fast approaching—in fact not far distant—when the tax base in Pennsylvania will have to be broadened."

The productive potential of Pennsylvania industry will not be hampered by excessive taxation,

Golden brown! Oval shape! Just right for 2 bites

the governor said because industry must be ready to quickly expand for emergency production.

Anti-Sabotage Bill Sent To State Senate

HARRISBURG, Feb. 28.—(INS)—An anti-sabotage bill rounding out the proposed civil defense program for Pennsylvania was sent to the senate Tuesday with House approval.

The Senate, which again delayed action on the overall defense program, adjourned for the week after Tuesday session. The House will meet briefly today.

The measure is the last of five House-sanctioned measures establishing a civil defense organization in the commonwealth and blue-printing is made of operation.

Miller May Resign
The administration bill was called up in the House amid reports that dissatisfaction with the Civil Defense Commission's salary schedule is expected to prompt Assistant Director Alton C. Miller, of Allentown, R.D., to resign his \$8000-a-year job.

Miller, an expert on defense protection and a former official with the National Security Resources board, was appointed to head the defense setup in Pennsylvania by ex-Governor Duff. In a recent reorganization, he was demoted to assistant director with Chairman Theodore H. Distler, of Lancaster, and made subordinate to N. L. Wymard, of Harrisburg, former secretary to Duff. Distler has been granted a \$15,000-a-year salary while Wymard receives \$12,000 annually.

Action on the sabotage measure highlighted Tuesday's program. A maximum of 30 years in prison or a \$10,000 fine are fixed for sabotage. Should death result, a first degree murder charge would be filed and a sentence of life or death determined by a jury in a court of record.

For sabotage of war materials,

the bill provides sentences of up to 10 years while deliberate production of defective war articles would carry a maximum 30 years sentence. In each case, a fine ranging up to \$10,000 could be imposed.

The bill is designed to become effective upon declaration of war or proclamation of a state of emergency by the President or the governor.

Delays Sentence For Six Months In B.R.T. Contempt

CLEVELAND, Feb. 28.—(INS)—The behavior of the Brotherhood of Railroad Trainmen is under close federal scrutiny in Cleveland today and will remain so for at least six months.

Federal Judge Emerich B. Freed put the powerful union on its good behavior for six months late Monday after its leaders pleaded guilty to contempt charges growing out of recent work stoppages among BRT members.

Delays Sentence

Judge Freed said his court's no-strike order must be considered separately from the \$100,000 fines levied against the union in Washington and Chicago. He accepted the guilty plea and postponed sentencing the union for six months. "The future conduct of the respondent (the BRT) will and should be given great weight in passing the judgment," he added. The ruling is expected to be a significant deterrent to future walkouts.

The federal judge criticized government lawyers who suggested that he dismiss the contempt charges against the union. The U. S. attorneys had argued that the union was punished adequately in other areas for the walkout.

Judge Freed told them: "It's your duty as government lawyers to enforce the authority of the court. It's not a question of what this court desires, it's a question of the enforcement of law."

Says Truman Should Not Run Again

By Rep. Joseph W. Martin, Jr., Republican Leader of the House
WASHINGTON, Feb. 28.—(INS)—In view of the ratification of a new constitutional amendment limiting a president to two terms, Mr. Truman should not run again and I don't believe he will.

In my judgment, the president will respect what is unquestionably the overwhelming sentiment of the American people as expressed in the new amendment's ratification by 36 states. More states will soon ratify it.

The president, of course, has a perfectly legal right to run again as the amendment clearly exempts him from its limitations. It was not directed against him.

Governor Driscoll Charges Decisions Warp Constitution

TRENTON, N. J., Feb. 28.—(INS)—Republican Governor Alfred E. Driscoll of New Jersey charged today that the U. S. supreme court in decisions of recent years has "twisted and warped our constitution to a point where it would be hardly recognizable to those who framed it."

Gov. Driscoll attacked the court in a statement severely criticizing its decision yesterday which nullified a Wisconsin law forbidding public utility strikes. New Jersey has a similar law.

The high court, by a 6 to 3 vote, ruled the Wisconsin utility anti-strike law runs contrary to federal labor and therefore is unconstitutional. The decision throws a cloud on the validity of comparable laws in New Jersey—which pioneered in the legislation—Pennsylvania, Nebraska and Kansas.

Gov. Driscoll declared he had asked State Attorney General Theodore D. Parsons to examine the supreme court decision in the hope that it may be possible to have the supreme court reconsider it and also for the purpose of presenting the issue to congress.

"I have taken this position," said Driscoll, "despite the fact that I am unwilling to concede that the Wisconsin opinion by the supreme court is decisive insofar as the New Jersey law is concerned."

Nosology is the branch of medicine which treats of the distribution and arrangement of diseases into classes.

Assert Six Admit Plotting Against President Gottwald

PRAGUE, Feb. 28.—(INS)—The Czechoslovak government charged today that six associates of imprisoned former foreign minister Vladimir Clementis have admitted plotting to assassinate Communist President Klement Gottwald and form a new government.

Minister of Information Vaclav Kopecky said the group was headed by Otto Sling, former political secretary for the Brno region of Moravia.

Clementis was not named as an actual conspirator in what Kopecky said was to have been a "foul murder," but the plotters were said to have "placed their hopes in him" to line up Czechoslovakia with the western powers along with Yugoslavia.

The arrest of Clementis on charges of espionage was announced officially by the Czechoslovak Communist party. Clementis succeeded the late an Masaryk, son of the founder of Czechoslovakia, as foreign minister.

ROAST CORN

New Boots May Have Been Cause Of Death

CINCINNATI, O., Feb. 28.—(INS)—A pair of cowboy boots—his most prized possession—may have caused the death of four-year-old Raymond Anderson.

Raymond was out rowing yesterday near Cincinnati with his older brother, John, 13, when their boat hit a fallen tree and overturned in the rain-swelled waters of the Little Miami river.

John said he held on to his

brother as long as he could but the new boots filled with water and pulled the little boy under.

The older boy swam to shore a quarter of a mile downstream. Raymond's body has not been recovered.

BARBECUED

Use frying chicken for a barbecue party. Just cut the chickens in quarters, or in smaller serving pieces if you like, and baste with a tangy tomato sauce as they grill.

OPEN JAR

If a bottle or jar with screw top won't open, strike it first with the palm of your hand. This often does the trick. If that won't work, bump the cover on a hard surface. If the screw still will not turn, run hot water over it or stand the article, head down, in hot water for a short time.

The American automobile industry in 1950 produced 8,000,000 cars and trucks—four cars to every truck.

THREE ARE NOMINATED

HARRISBURG, Feb. 28.—(INS)—Gov. John S. Fine's nominations of three workmen's compensation referees today were before the Senate committee on executive nominations.

They were A. Harry Clayton, 197 West Court St., Doylestown; Leonard J. Parsons, of Mt. Lebanon, and Gladstone A. Carmalt, of Brookville.

If confirmed, all will serve in the \$7500-a-year jobs until January, 1955.

Man of Many Accomplishments

Little is known of Ben Franklin's interest in medicine, but that it existed along with his many other remarkable characteristics is evidenced by the fact that he and a Dr. Thomas Bond were responsible for the establishment of the first hospital for the insane in America in 1751. This recognition of the need for special treatment of mental cases was equivalent to a remarkable discovery, and places Franklin high as a benefactor of mankind as well as a man of letters and of science.

Modern pharmacy fits a specialized need, too. For the experience and judgment of your physician to be fully effective, it is essential that the prescriptions he writes be carefully and accurately compounded.

ELTEKON CLASS HAS FEBRUARY SESSION

Elitkon class of First Methodist church was entertained Tuesday evening in the home of Mr. and Mrs. E. F. Cushman, Shenango road.

A Red Cross technician typed the members' blood. C. W. Herman Hess gave an informative talk on "The Red Cross."

In behalf of the class, Mr. and Mrs. Ray Boese presented with an attractive gift. Mr. and Mrs. Blase plan to move soon to Ellwood City.

Tasty refreshments were served by the hosts with Mr. and Mrs. William Stephenson and Mr. and Mrs. Dallas Smith, co-hosts, as aides. Mr. and Mrs. Sidney Lockley, Lincoln avenue, will entertain March 27.

HONOR NAVAL SON AT FAMILY DINNER

At the home of Mrs. Carrie Mortimer and daughter, Mrs. Albert E. Jones, of Adams street, a family dinner was served in honor of the former's son, Roland G. Mortimer, yeoman 3-c, spending the week end with his mother and sister, Mrs. Jones. Roland is attached to the U. S. S. Worcester, stationed at Boston, Mass.

Out-of-town guests were Mr. and Mrs. Henry J. Mortimer and son, Jimmy, of Butler.

Mr. and Mrs. Jones and Mrs. Mortimer motored in the evening to Pittsburgh with Roland, who returned by plane to Boston. He also came here by plane.

St. John's Lutheran W.M.

Women's Missionary society gathered in St. John's Lutheran church Tuesday evening, when an interesting program was presented with Mrs. Lee Lutz as leader. Mrs. Lutz used the theme of the Triennial Emphasis, "Worship," "Membership" and "Stewardship." Facts concerning various mission fields of the United Lutheran church were presented.

Committees reported on the promotional work for the coming year with contributions for missionary activities of the church being received.

A special study of "The Argentine" will feature the March meeting, with Mrs. A. J. Gavroy as the

HOW TO SPARE WIVES

SPOKANE—Dr. Walter C. Alvarez of Rochester, Minn., said here that he tells husbands they could save money by "hiring a

maid instead of a doctor." The senior medical consultant at the Mayo Clinic said America housewives are one of the most "over-worked groups" and many are suffering from exhaustion.

Pittsburgh

PLATE GLASS

MANTEL MIRROR

to glamorize a living room!

Custom-made to fit your walls

Your fireplace becomes a beauty spot when you grace it with a distinctive Pittsburgh Plate Glass structural mirror. You'll be surprised at the warmth, color and charm it brings into your living room and how much more spacious it makes the room seem. No other decoration can do so much for so little. First cost is last cost and this initial cost is spread over many years of service. We can supply you any size of mantel or wall mirror you desire—just let us know size of available wall space.

Phone for Free Estimates

No Obligation

Plate Glass Tops
Protect Fine Furniture

The practical way to protect the fine finish of your flat-topped furniture from scratches, stains, tumbler rings and cigarette burns is to cover these pieces with lovely Pittsburgh Plate Glass tops. Easy to clean, good-looking and smart, these tops are available in any shape and size you wish. Come in for instruction sheet on how to make patterns for furniture tops.

Keep your home looking whiter longer with Pittsburgh SUN-PROOF!

Pittsburgh Sun-Proof house paint produces a film of unusual whiteness that really stays white! Industrial gases or coal smoke will not darken or discolor it—because it's sun-proof. It's self-cleaning, too—dust and dirt are washed off with each rain.

All-Out Red Offensive Is Now Expected

By HOWARD HANDLEMAN
(Far Eastern Director, I. N. S.)

TOKYO, Feb. 28.—Informed Tokyo sources expressed belief today that an all-out Red offensive by upwards of 31 Communist divisions will be launched in Korea sometime next month and that it will be repelled by United Nations forces.

Gathering signs indicate that 31 enemy divisions now are arrayed across the front from Seoul to the east coast and will soon be bolstered by hordes of fresh Chinese soldiers and reconstituted North Korean troops.

Would Have 285,500 Men

At full strength the 31 divisions would have a total of 285,500 men with whom the Reds hope to launch their greatest offensive of the war.

(In addition to the 31 divisions on the front lines the Reds can probably draw on half a million other troops in North Korea and Manchuria to keep a three-to-one numerical superiority over U.N. forces.)

The Red maximum offensive will be designed to rid the Asiatic mainland of the western powers last beachhead north of Indo-China.

This picture of Communist strategy and intentions was painted for International News Service by a well-informed and usually reliable source.

Despite the enemy's numerical superiority of three-to-one or more, Americans do not believe the Communists will be able to achieve their aim.

Officers point out that the U.N. forces have been outnumbered by that ratio throughout the war.

The United States and Canada produce and use one-half of all the electricity in the world.

THE AMERICAN RED CROSS IS A PART OF YOUR EVERYDAY LIFE SO-SUPPORT THE 1951 RED CROSS FUND

Veterans' Council Banquet Saturday

New Castle Veterans' Council will have its first annual banquet on Saturday, March 3, in the V.F.W. club rooms.

All plans have been completed for this gala affair, according to the general chairman, George Hunt of the V.F.W. At 7 o'clock, a full course dinner will be served to the large crowd, which is expected to attend.

This informal banquet is to be followed by a dance later in the evening. It will afford the local veterans an opportunity to meet one another and become acquainted. Nine veterans' organizations are expected to participate in the activities of the evening.

Assisting Mr. Hunt will be Don Crowl of the American Legion and Joseph Brown of the Jewish War Veterans.

President of the organization is Commander Edward A. DeCarbo, who announced that a few tickets are still available, and can be secured from any post and from the chairmen.

Veteran organizations who will take part include: American Legion Post 343 and Post 528; V.F.W. Posts 512 and 315; Spanish American War Veterans, Catholic War Veterans Post 741; Jewish War Veterans; Marine Corps League and Officers Association.

Prince Mdivani Says Wife's Report He Was Missing, Silly

LOS ANGELES, Feb. 28.—(INS) —Prince David Mdivani, last survivor of the three marrying Mdivani brothers, branded as "silly" and "unfortunate" today his wife's report to police that he had vanished mysteriously after leaving on a business trip last Friday.

Mdivani turned up at his Bel-Air home yesterday several hours after an alarm had been broadcast and said: "I guess I should have told my wife I was not coming home over the weekend."

Mdivani turned up at his Bel-Air home yesterday several hours after an alarm had been broadcast and said: "I guess I should have told my wife I was not coming home over the weekend."

Gilda Gray In Comeback Try

MILWAUKEE, Feb. 28.—(INS) —Gilda Gray, "shimmy" queen of the 1920's who has been a tuberculosis patient for the past three years, sang, wiggled and bounced on her heels Monday night in a comeback appearance and then announced:

"Milwaukee liked me tonight, proving I got the legs and the movement that the nation still wants to see."

The Polish-born former Ziegfeld star, who insists she is only 49, had to vie with two youthful striptease dancers in the Roosevelt hotel's Melody room but she brought down the house with her 25-year-old repertoire.

Thrice Married Gilda, who was born Marianna Michalski, wore a spangled shimmy costume—a replica of her Ziegfeld show garb.

She opened by singing "When You Were A Tulip," the song she first sang as a professional in 1915 at a cafe in the heart of Milwaukee's Polish settlement. It was, she said, "the first song I ever knew in English."

And she concluded with the song

that was the hit craze of the F. Scott Fitzgerald era, "St. Louis Blues."

Gilda, who was stricken in 1947 and bedridden until two weeks ago, is planning an eastern tour to reveal "The Modern Gilda."

She said: "If they like me in Milwaukee they'll like me elsewhere."

The shimmy queen, whose earnings reached more than \$6,000,000, says she is not destitute.

American television broadcast went \$24 million in the red in 1949.

Miss Gloria McCreary led in

the search of magazines, containing misleading liquor advertisements. Mrs. R. F. Henry, acting as advisor, presented the truth about alcohol in a fable, entitled "Alcohol Looking For Partners."

Plans were discussed for presenting a one-act play, entitled "A Good Name," with Paul Henry, Charles Kelly and Fred Linder-

man taking part.

After games and music were enjoyed, Mrs. Henry served a refreshing lunch. Next meeting will take place March 26.

Wampum Enters Quarter-Finals By Topping East Washington 41-37

Indians Will Meet Avalon Tuesday In Revenge Tussle

Titans Trounce Waynesburg 97-57 For 20th Win

Wampum high school came from behind at Dormont Tuesday evening to defeat East Washington 41-37 in a first round game of the WPIAL Class B tournament.

The Indians will now meet Avalon high school in the quarter-finals of the tourney at Dormont on Tuesday evening, March 6.

Uphill Fight All the Way

It was an uphill struggle for the Lawrence county section champions as they time and again muffed chances to pull away from the Galloping Ghosts of East Washington.

The Indians played loose ball throughout most of the game but settled down in the last quarter to overtake the Section 24 champs and pull ahead.

Novallesi Paves Way

It was Jim Novallesi that paved the way for the Wampum victory last night. With Wampum trailing 17-12 midway in the second period Jim got down the floor too fast for the Ghost defense and put in three straight field goals to give the Indians a 18-17 lead at intermission.

Again in the third quarter when the Washington county team pulled away to a 25-19 lead, it was Novallesi that put the Indians back in the middle of things with two scores. And finally, late in the contest Novallesi stole the ball and raced down the floor to make a layup and practically clinch the game for Wampum with a 41-35 lead and less than a minute to play.

Caesar Craine did a good job under the boards but couldn't find his shooting eye. The Wampum team as a whole hit on only 29 percent of its shots, with Bruce Bingham the only Indian eager to hit on a shot from outside the foul circle.

Miller Scores First

Lou Miller opened the scoring in the game by giving Wampum a temporary 2-0 lead. Dinsmore tied it up with a shot from the corner, but Miller tipped one in to put the Indians back in front 4-2.

Fouls by Dinsmore, McMillin and Craine made it 6-3 Wampum, and a field goal by Bob Catfay cut it down to 6-5. A left handed hook shot by McMillin, followed by one from the other side by Craine made it 10-5 Wampum.

It was then that East Washington pulled ahead when 6 foot 4 inch center Terry McMurray hit one from inside the foul circle and Dinsmore scored his three straight buckets. At the quarter it was 13-10 East Washington.

Things were no better for the Indians in the second frame until Novallesi took things in hand near the end of the quarter. The Galloping Ghosts pulled out in front again in the third quarter when Bill Little went on a one-man scor-

ing spree that netted him eight points in about three minutes time.

Fourth Quarter Different

Wampum came out strong in the final period with Caesar Craine opening the scoring. With four minutes remaining in the game Caesar put the Indians in front 33-32 on a foul shot after John McMillin tied it up with a successful free throw.

Craine tipped one in after Paul Johnson missed an attempted foul and it was 35-32 Wampum. Dinsmore made it 35-34 when McMillin hooked another one in from the left to give Wampum a 37-34 edge.

McMurray put in a foul to make it 37-35. McMillin scored on two free throws and Novallesi sewed it up at 41-35 with less than a minute remaining.

Bill Dinsmore, who had been a pain to the Indians all evening, swished one with about 45 seconds left and Wampum froze the ball the rest of the way.

Wampum	East Washington
Miller, f. 3 0 6	Dinsmore, f. 7 3 17

Coaches To Play Officials Friday In Doubleheader

Lawrence county high school basketball coaches will tangle with the Lawrence county cage officials Friday night at East Brook in the first game of a doubleheader.

In the second game on the card the East Brook Boosters will meet the Slippery Rock Collegians. First game will begin at 8 o'clock.

Coaches lineup will probably be made up of the following: Bob Eagleson, Fran Webster, Eddie Nahas, Jack Schantz, Lyle Fox, Soc's Roussos, Bill Ciccone and Al Russo.

Officials slated to play are: Pop Adams, Ed Hepe, Ray Kelley, Raggs Gennock, John Polenick, Frank Reed, Nick Gennock, Alex Roebuck, Red Ross and Joe Wysocki.

P.G. Club Holds Bowling Party

Members of the P. G. club enjoyed a bowling party at a local bowling center on a recent evening. High scores were obtained by Mrs. Erma Boron and Miss Frances Calazza.

Later a delicious lunch was served to the group, with plans made for a banquet in the near future.

Worst Defeat For Jackets

Halas, King Meyers Are Scoring Stars

The Westminster college Titans went on a scoring rampage last night to wallop Waynesburg college 97-57 on the losers home court.

The lopsided victory was the 20th of the season for Westminster and was the highest score ever run up against the Yellow Jackets in the history of inter-collegiate activity at the school.

It was the first time the Jackets have been defeated this season on their home court.

Titans Display Power

The Titans poured on the power from the beginning of the contest and were out from in all but the opening 20 seconds of play. Taking an 18-12 lead at the end of the first period, the Titans jumped to a 22 point, 46-24 lead at the halftime intermission.

The Jackets attempted a comeback early in the third period and cut the point margin down to 15 points midway of the period. But the Westminster quintet came back strong in the closing minutes of the period to widen the margin. They went on to score 30 points in the fourth quarter while holding the Jackets to 11.

In winning the contest, the Titans racked up their best shooting percentage of the season. Better than 43 per cent of field goals attempted were made.

Halas, King Stars

Eight Titans led the scoring column. Pat King led the parade with 24 points. Ed Halas was close behind with 20 points and Don Meyers racked up 19. John Abraham, who has been on the sick list was used sparingly in the contest, accounted for 14 points in the last 10 minutes of the game.

The victory gave Westminster a 20-5 record with two games remaining to be played during the regular schedule. Saturday the Titans play host to Carnegie Tech and next week ring down the curtain on the current season with a return engagement March 9 with Washington & Jefferson at Farrell.

Confi Captures Lightweight Title In Ft. Myer Bout

Naval Electrician Mate Walter Confi, U.S.N., won the lightweight championship of the Middle Atlantic service in a bout several nights ago at Ft. Myer, Va., according to word received here today.

He represented the 5th Naval District and entered the finals by defeating Pfc. Clyde Pearson of Ft. Myer.

Confi is 21 years old and boxed for the Great Lakes Naval Station and New London, Ct., sub-base during the past several seasons.

He will be awarded a trophy by Major-General Thomas W. Warren, commanding the military district of Washington which sponsored the ring tournament.

Boosters To Play East Palestine

East Brook Boosters will play the East Palestine Merchants in a benefit game at 8:30 p.m. on the East Brook floor tonight.

Musical entertainment at 7:30 will precede the game and will feature a barbershop quartet from New Castle.

All funds will be donated to aid in the completion of the East Brook grange.

Beloit Accepts Garden Invitation

BELOIT, Wis., Feb. 28.—(INS)—Beloit College, the tiny Wisconsin school with the big scoring punch, prepared today to take the underdog's role in the National Invitation Tournament opening at Madison Square Garden March 10.

Beloit, which accepted a tourney bid yesterday, will be matching its rah-rah spirit and windmill shooting against such giants as St. John's, Arizona, Brigham Young and North Carolina State.

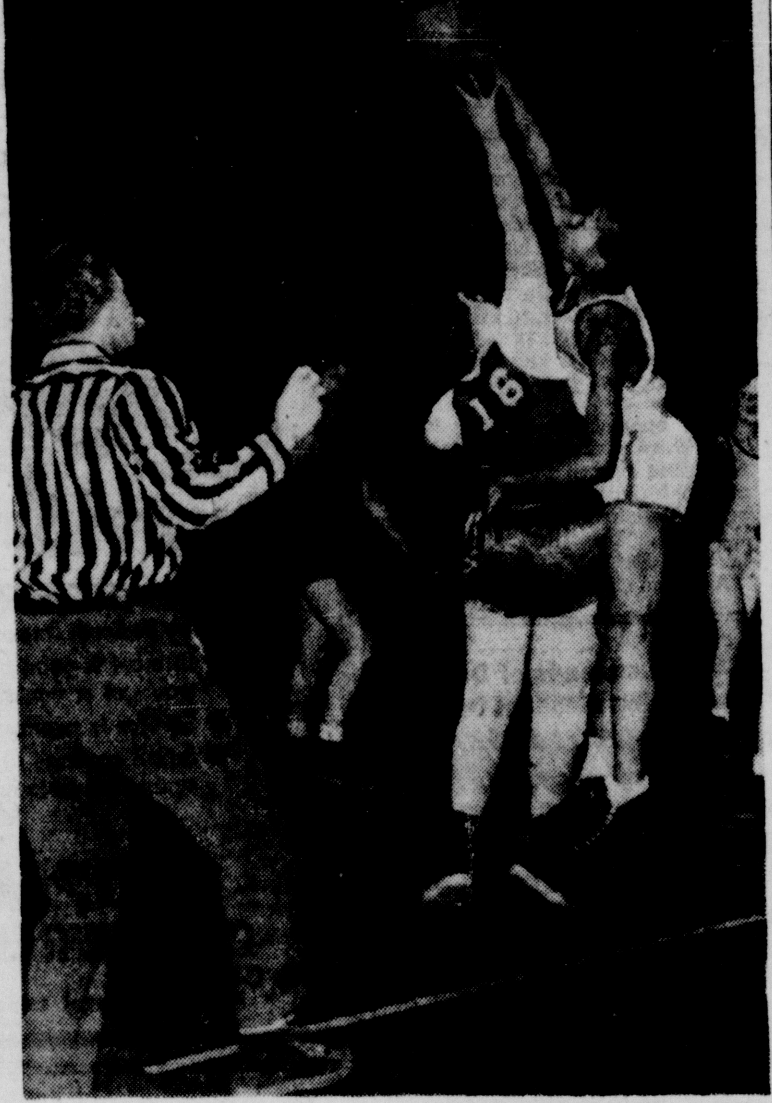

It will be the first trip to an eastern tourney for the small college, which sports a 16-4 record and an 85-point-per-game average.

Beloit came to Chicago twice this season and whipped Loyola and DePaul.

BEARCATS SEEK BID CINCINNATI, O., Feb. 28.—(INS)—The University of Cincinnati Bearcats romped to an 84-53 victory over Western Reserve at Cincinnati last night and looked forward to a National Invitation Tournament bid.

The Bearcats have a 15-3 season record.

The champions of the late unannounced sanity code are afraid that now the code is dead, proselytizing and subsidizing of college athletics will reach a new all-time high.

BASKETBALL BALLET—Two youngsters exhibit as much grace as a ballerina as they go after the ball during the opening game in the City Recreation League basketball tournament on the George Washington floor Tuesday night. Number 16 is Robert Mangiro of the Mahoningtown Black Hawks and his opponent is Leroy Shepherd of the Lincoln-Garfield Monarchs. The Black Hawks won 25 to 21.

City Recreation League Results

Championship Games At Junior High Gym

Mahoningtown's Black Hawks, the American League Redskins, and the American League Bears, last night gained playoff berths for championship play at George Washington floor by eliminating their floor opponents.

The midget Blackhawks held the upphand the entire distance to win over the Monarchs of the National midget league. Quahiero and Di Bacco picked up 17 points between them.

Junior teams, Mahoning's Fighting Irish, and the American Red Skins traded seven times before the final whistle. The Redskins held a shaky final edge, 19-18.

Bears Qualify

The senior Bears of the American League, by drubbing the Hi-Y Bullets of the same league 49-34, qualified to engage in inter-league championship play against the Yankees of the National League.

Tonight's games in the midget league: Mahoning Blackhawks play the American Sharshooters at 6:30 p.m.; Junior, American Redskins play the National Strizils at 7:30 p.m.; senior, American Bears play the National Yankees at 8:30 p.m. All games are at George Washington floor.

Akron Nelsons Defeat Pulaskis

The Akron Nelsons defeated the K. Pulaski "Big Five" in the "A" division of the Cortland tourney last night 67-56 in a thriller. The defeat puts the locals in the losers bracket. Another defeat will put the Pulaskis out of title contention.

Saturday the Teddy Kole coached quintet will play at Cortland again.

Hanks-Clowns Clash Saturday

All indications point to a packed Washington high gym for the Hanks A. C. and Broadway Clowns game Saturday night, if ticket sales are any criterion.

There will be a prelim at 7 o'clock featuring the Shenango Y and the Hank Rockets. The main game starts about 8:30 o'clock.

The Clowns are bringing a star-studded lineup here to oppose the undefeated in 16 straight games—Hanks. King Tut and Juggling Joe Taylors are two of the stellar attractions with the Clowns. Both have been seen here with the Indianapolis baseball Clowns.

Fine Ball Handlers

Tickets for the game have gone on sale at Morellas, Hanks Place, Len's Men's Wear, Gus Men's Wear, the Shenango Y and also from any of the players. The Clowns possess some of the best ball players in the nation, including Conrad Lewis, "Long John" Elliot, Ralph Sealy, Bill "Showboat" Dumpson, Ralph Crichlow, "Skee" Daniels, Junior Johnson and "Easy" McNeillie. Every player on the squad except Crichlow stands over 6 feet tall.

County Baseball League To Have Important Meeting

Lawrence County Baseball league will hold an important dinner meeting Thursday evening, March 1, at the Castleton hotel, at 7 o'clock. It is announced by league president Alec Samuels.

All teams are urged to be represented at the meeting, which may determine the fate of the league for the coming season.

Track Candidates Report At Senior

Candidates for the New Castle senior high school track team met Monday with head coach Bill Klee. About 120 boys in all reported at the meeting.

Workouts will begin next Monday, with three practice sessions a week scheduled until the squad can work outside.

HERE and THERE IN SPORTS LAND

NEW CASTLE basketball teams have been invited to enter the V.F.W. floor tournament which will be held in the Ford City high school gymnasium, March 19-23 and March 26-30. First place team will be paid \$400. . . . Charlie Scaglione, ex-catcher, is bathing, fishing and growing a Florida tan at Miami. . . . Oddities in the snake world: Ray Hotzapple, Snyder county game protector, reports he found a three-foot black snake in January, and Clair Dinger, also a game warden, claims he found a garter snake on the snow in December. . . . Game Protector Paul Ranck, Williamsport, is incensed because he says dogs and cats have taken 105 rabbits from traps set by him. . . . City Baseball league will hold its next meeting at Carm's, West Washington street, March 30. It was purposely withheld until that date until league officers could ascertain the status of 18-year-olds concerning Selective Service. The county loop will convene Thursday night. It is reported Bessemer and Wampum will join the city loop, hence a proposal may be made that the county loop and North county circuit combine. . . . Ralph Jordan, former Georgia U. line coach, will coach Auburn football this season. . . . Dan Bankhead, Dodgers' negro hurler, will wear spectacles this season. . . . Andy Conti, "Pat" Patterson and Pete Barber have accounted for a lot of crows which flock in trees near Hillsville. It is estimated they have killed hundreds with shotguns this winter.

APPARENTLY, Primo Carnera and Max Baer were only practicing in 1934, when Baer took Primo's fistic crown from him, for a repeat performance in 1951. During one of the early rounds, Primo pulled Max down upon him and Max remarked, "Last one up is a 'sissy'. Later, Baer has turned wrestler, and indications are the two ex-fighters will meet on the mat. . . . Primo wrestled in this city years ago. . . . Dick Klamfoth won the 200-mile motorcycle race recently at Daytona Beach at a record-breaking rate of 92.8 miles an hour. . . . Bill Talbert is the new indoor tennis champion, having won the title in New York when he defeated Straight Clark and Nancy Chaffee took the women's crown by beating Beverly Baker. . . . There'll be Mid-Atlantic loop ball at Flaherty field this summer, which will please fans. . . . Jeanette Altwegg of Britain won the 1951 world's figure skating championship at Milan. Dick Button, New Jersey, won the men's title for the fourth straight year. . . . Willie Mosconi is still top billiardist, having retained his pocket title by defeating George Chanier, Canada, 150-45, in 11 innings, in Chicago. . . . Mrs. Babe Didrickson (Zaharias) swept the Ladies PGA meet at Orlando, Fla. It made her third straight 1951 title. She teamed with George Boles to win the international mixed two-ball championship, 6-5, over Alice Bauer and Pete Cooper. . . . According to Packy O'Gatty in the Veteran Boxer, it was Joe Tipman's knockout during an exhibition with Terry McGovern in Baltimore in 1901 which started Terry downward. Terry was appearing with a show called "The Road to Ruin". Young Corbett knocked out McGovern, officially, in Hartford, one month later. Joe Gans seconded Tipman in what was called an exhibition bout in the Oyster city.

Beshore-Henri Battle Tonight

HARRISBURG, Feb. 28.—(INS)—Harrisburg's Freddie Beshore makes his hometown boxing debut tonight in a 10-round bout with New York heavyweight Art Henri.

The 27-year-old heavyweights' homecoming is expected to draw a full house of about 3,000 fans and a gross \$10,000 gate.

Beshore is seeking his first win since hitting the eastern money trail 18 months ago after showing impressive signs in three years of campaigning on the west coast.

William and Mary coaches think Bill Chambers, sophomore forward, is the outstanding forward sophomore player in the south. He is averaging over 15 points in his first 21 games, despite a slow start.

Aircraft Carrier Sighted Off Coast Of Formosa Today

TAIPEI, Formosa, Feb. 28.—(INS)—Chinese Nationalist air-planes were alerted today when an aircraft carrier, at first unidentified, was sighted 20 miles off the west coast of Formosa.

The planes, made ready to carry out a bombing mission if necessary, were taken off the alert when the craft was determined to be a friendly vessel.

Officials on Formosa, last remaining stronghold of Nationalist China, declined identity of the ship for security reasons.

(Reuters reported in a Hong Kong dispatch that a British naval source said the carrier could have been the H.M.S. Warrior, due in Hong Kong later today from an undisclosed mission in Korean waters.)

White Sox Squad Riddled By Flu

PALM SPRINGS, Cal., Feb. 28.—(INS)—The influenza scourge that has disrupted early drills of the Chicago White Sox at Palm Springs may leave the team temporarily without a manager today when the players move to permanent spring quarters at Pasadena.

White Sox officials said manager Paul Richards is confined to bed with a high fever and probably will be unable to make the trip.

Court House

**Poliograph
Used On Two**

**Agree To Use
Of Lie Detector**

Operated by an expert from the state police, the poliograph or lie detector was used on four people Tuesday afternoon.

The four are a part of two morals cases which will come before the grand jury in March. In both cases the defendants deny any participation in the crime charged while the complaining witnesses are just as positive they are the proper persons.

While the poliograph is not accepted as legal evidence, its use has often prompted defendants who the machine said were lying, to plead.

COURT ROOM CHICKEN

Court room number one looked like a small section of a farmers' market Tuesday morning.

Under the dexterous hands of Charles Davis of Penn State a chicken was cut up as it should be. Each piece was described and the cutting operation shown to a group of farmers and boys of the Eastbrook high school.

Following Mr. Davis' demonstration, H. H. Kaufman of Penn State talked on "Broilers, Roasters and Their Markets." Later the two men talked on other subjects relevant to poultry raising. A movie was shown of the Butler Egg Auction.

**'Lost Weekend' For
Family As Result
Of Food Poisoning**

ABINGTON, Pa., Feb. 28.—(INS)—Four members of a North Hills family recuperated today from a "Lost Weekend" brought on by food poisoning.

The victims, Howard Buerger, 35; his wife, Marjorie, 29; their daughter, Carol, nine; and a son, Allan, four, were found semi-

conscious in their home last night by Abington township police. Dr. Francis Furguele examined the victims and said they could remain at home.

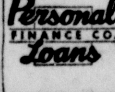

Patrolman Edward Vincent said Mrs. Buerger seemed concerned when she learned it was Monday night. She insisted she and her husband and children had last eaten on Saturday.

"What happened to Sunday?" she asked.
Police went to the home when a Philadelphia relative of the family reported the little girl kept answering the phone. They said Mrs. Buerger recalled she had served pancakes to the family on Saturday.
